

P7 (Area compound) Paper 1 **Name:** _____

1. Look at the shape below. Calculate the **area** of the shape. Write your answer in the space below.

_____ cm²

2. Look at the shape below. Calculate the **area** of the shape. Write your answer in the space below.

_____ cm²

3. Look at the shape below. Calculate the **area** of the shape. Write your answer in the space below.

_____ cm²

4. Look at the shape below. Calculate the **area** of the shape. Write your answer in the space below.

_____ cm²

5. Look at the shape below. Calculate the **area** of the shape. Write your answer in the space below.

Not to scale

_____ cm²

6. Look at the shape below. Calculate the **area** of the shape. Write your answer in the space below.

Not to scale

_____ m²

7. Look at the shape below. Calculate the **area** of the shape. Write your answer in the space below.

Not to scale

_____ m²

8. Look at the shape below. Calculate the **area** of the shape. Write your answer in the space below.

Not to scale

_____ m²

9. Look at the shape below. Calculate the **area** of the shape. Write your answer in the space below.

Not to scale

_____ m²

10. Look at the shape below. Calculate the **area** of the shape. Write your answer in the space below.

Not to scale

_____ m²

11. Look at the shape below. Calculate the **area** of the shape. Write your answer in the space below.

Not to scale

_____ cm²

12. Look at the shape below. Calculate the **area** of the shape. Write your answer in the space below.

Not to scale

_____ m²

Answers

- 1. 75**
- 2. 138**
- 3. 240**
- 4. 764**
- 5. 78**
- 6. 4375**
- 7. 2135**
- 8. 138**
- 9. 84**
- 10.94**
- 11.7361**
- 12.142**
