

Q1 (3D Nets) Day 6

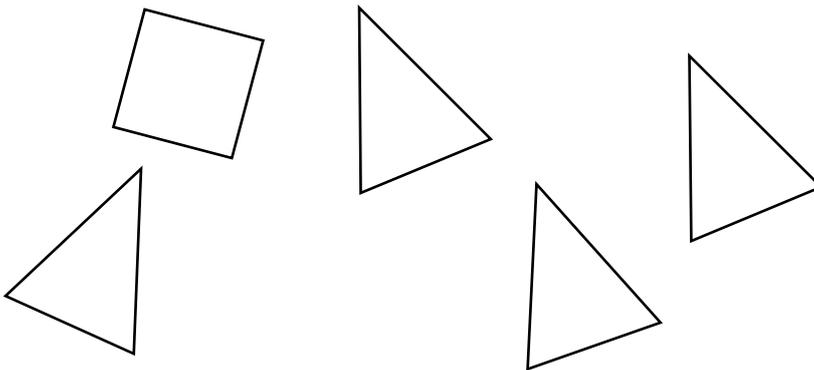

Name: _____

1. Look at the shapes below. They make up the **net** of a **3D shape**.

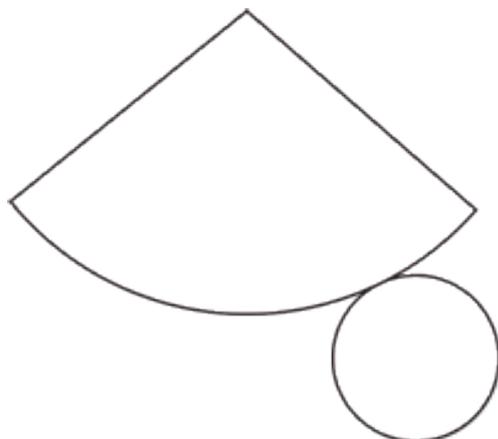

Write the **name** of the **3D shape** in the space provided below.

2. Look at the shapes below. They make up the **net** of a **3D shape**.

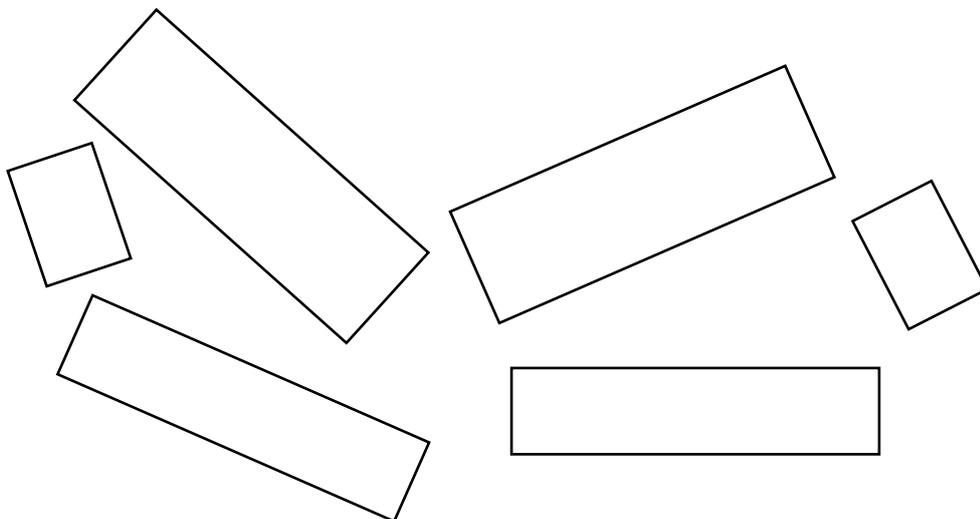

Write the **name** of the **3D shape** in the space provided below.

3. Look at the shapes below. They make up the **net** of a **3D shape**.

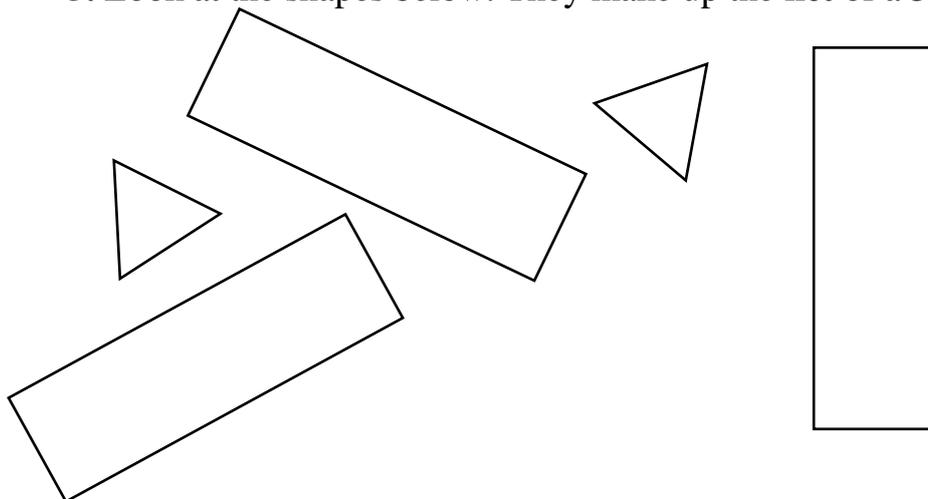

Write the **name** of the **3D shape** in the space provided below.

4. Look at the shapes below. They make up the **net** of a **3D shape**.

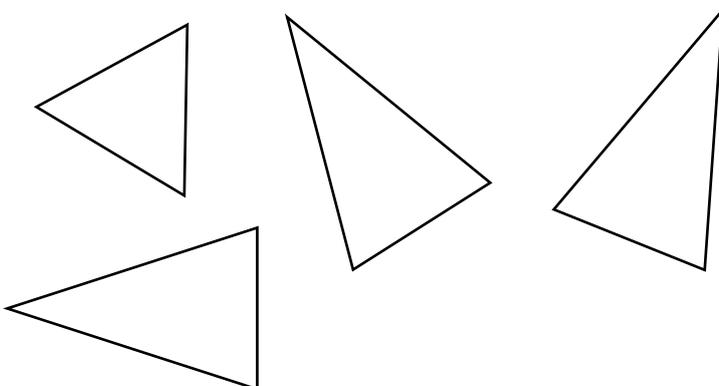

Write the **name** of the **3D shape** in the space provided below.

5. Look at the shapes below. They make up the **net** of a **3D shape**.

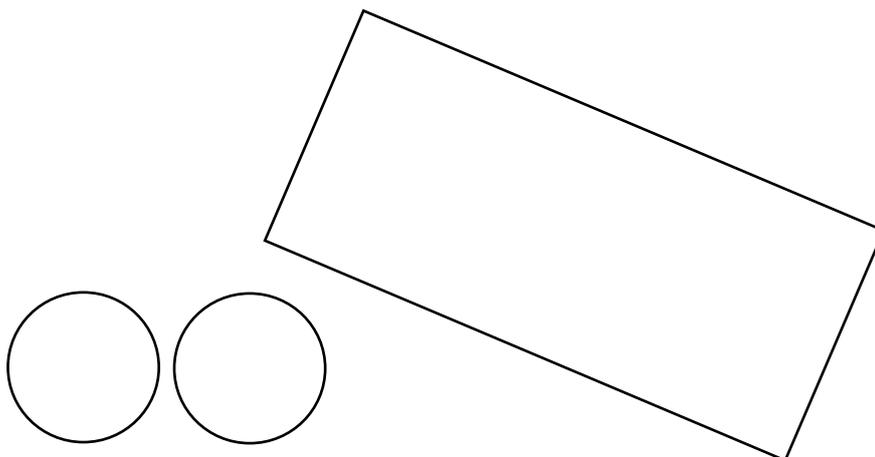

Write the **name** of the **3D shape** in the space provided below.

6. Look at the shapes below. They make up the **net** of a **3D shape**.

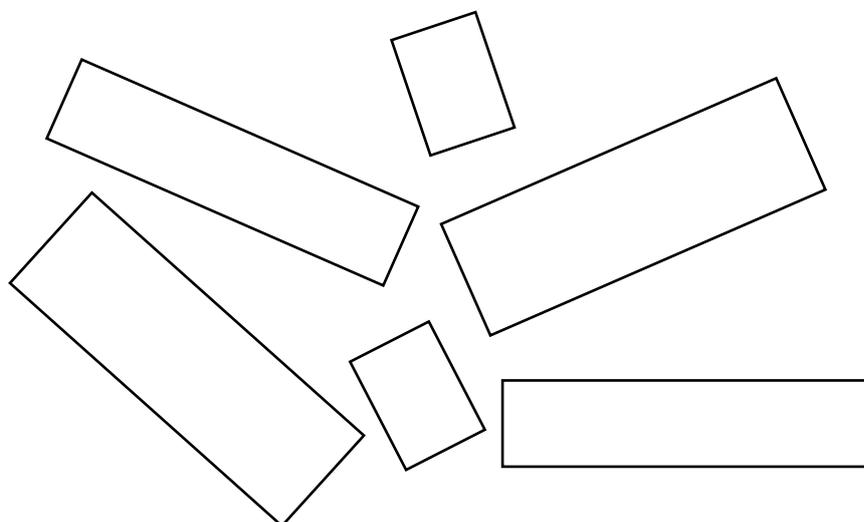

Write the **name** of the **3D shape** in the space provided below.

7. Look at the shapes below. They make up the **net** of a **3D shape**.

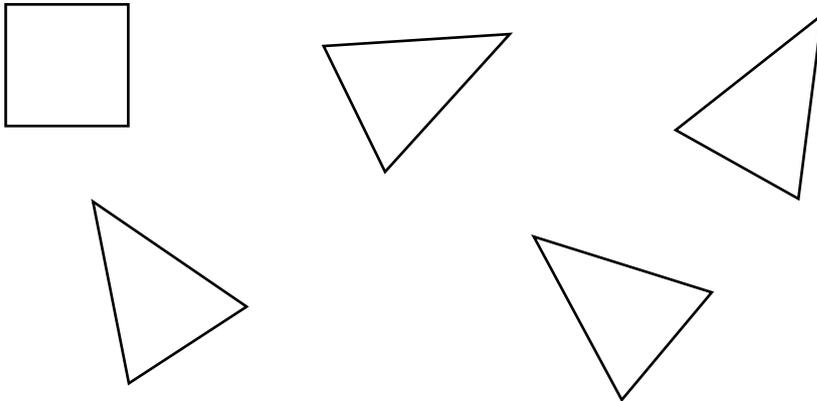

Write the **name** of the **3D shape** in the space provided below.

8. Look at the shapes below. They make up the **net** of a **3D shape**.

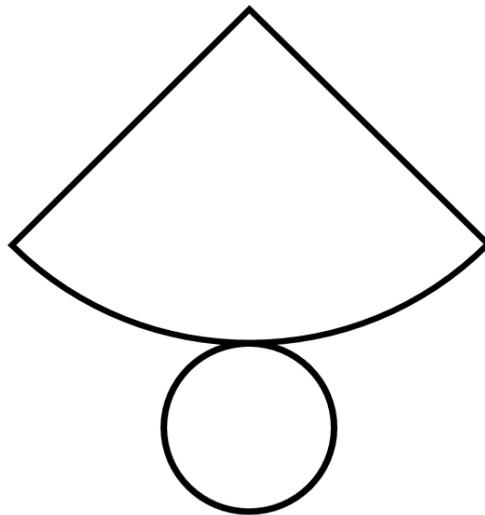

Write the **name** of the **3D shape** in the space provided below.

9. Look at the shapes below. They make up the **net** of a **3D shape**.

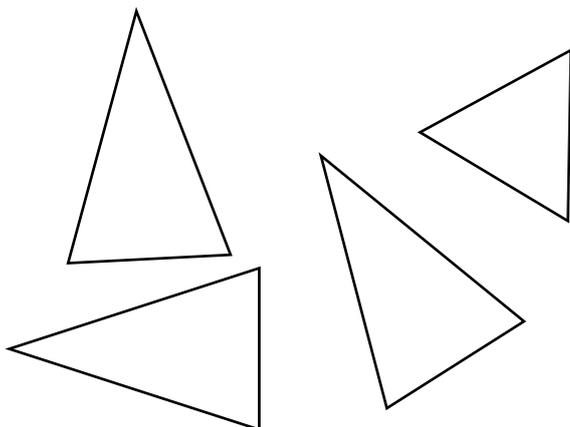

Write the **name** of the **3D shape** in the space provided below.

10. Look at the shapes below. They make up the **net** of a **3D shape**.

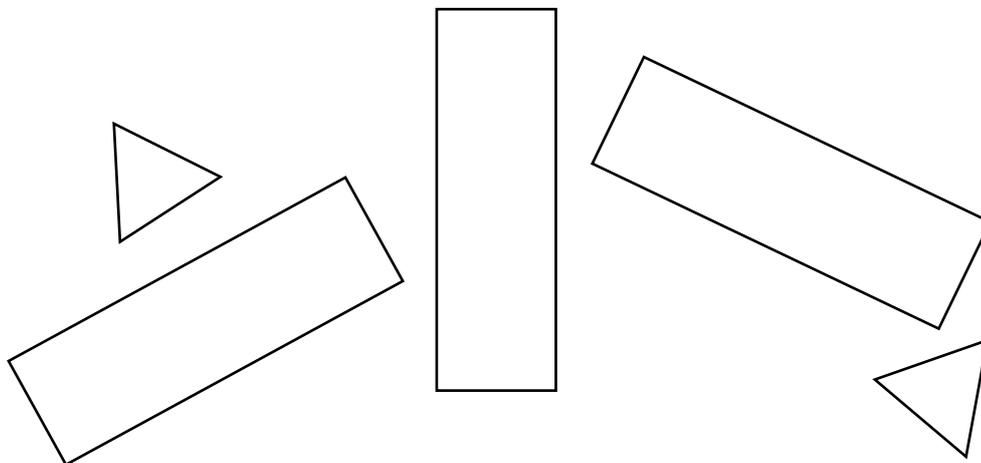

Write the **name** of the **3D shape** in the space provided below.

11. Look at the shapes below. They make up the **net** of a **3D shape**.

Write the **name** of the **3D shape** in the space provided below.

12. Look at the shapes below. They make up the **net** of a **3D shape**.

Write the **name** of the **3D shape** in the space provided below.

Answers

- 1. Cube**
- 2. Square based pyramid**
- 3. Cone**
- 4. Cuboid**
- 5. Triangular prism**
- 6. Triangular based pyramid**
- 7. Cylinder**
- 8. Cuboid**
- 9. Square based pyramid**
- 10. Cone**
- 11. Triangular based pyramid**
- 12. Triangular prism**
