### **Mira's Visit**

1. From the moment the airplane touched down at the Hong Kong airport, Mira knew
2. she was in for an adventure. The huge airport was full of people bustling about. The
3. people looked like they came from all over the world. Mira heard bits of conversation
4. in many different languages.
5. Mira and her parents hurried to the hotel, where they checked in and dropped off
6. their luggage. They were eager to begin exploring the city. Mira's dad brought a map
7. and a detailed plan of what sights they would see.
8. The first stop on the list was the Hong Kong Wetland Park, just outside the city. The
9. beautiful park had lots of places to walk, and Mira enjoyed sketching pictures of
10. wildlife, including a crocodile lounging beside its private pool. On the train back to
11. the city, the family marvelled at the towering skyscrapers. Next, they stopped at the
12. Science Museum, where Mira and her mom visited the World of Mirrors exhibit. After
13. a lunch of local treats from a street-food cart, the family rushed to Victoria Harbour
14. for the "Symphony of Lights." In the light show, beams of light were projected onto
15. the buildings around the harbour and reflected off the calm waters below.
16. The family returned to the hotel, ready for a good night's sleep. Mira looked forward
17. to another day of fun in Hong Kong. She was amazed to think of all they had done
18. on their first day!
