

**Q2 (3D Nets) Day 22**    **Name:** \_\_\_\_\_

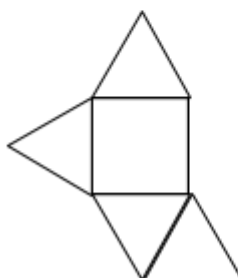

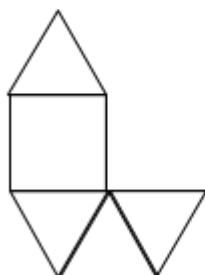

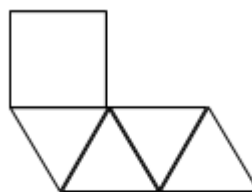

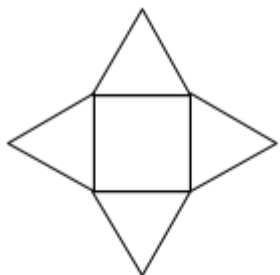

1. Look at the 3D nets below. Circle the nets that would fold to make a **cube**.

2. Look at the 3D nets below. Circle the nets that would fold to make a **cuboid**.

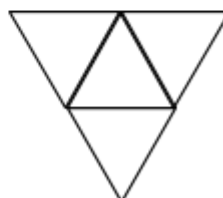

3. Look at the 3D nets below. Circle the nets that would fold to make a **square based pyramid**.

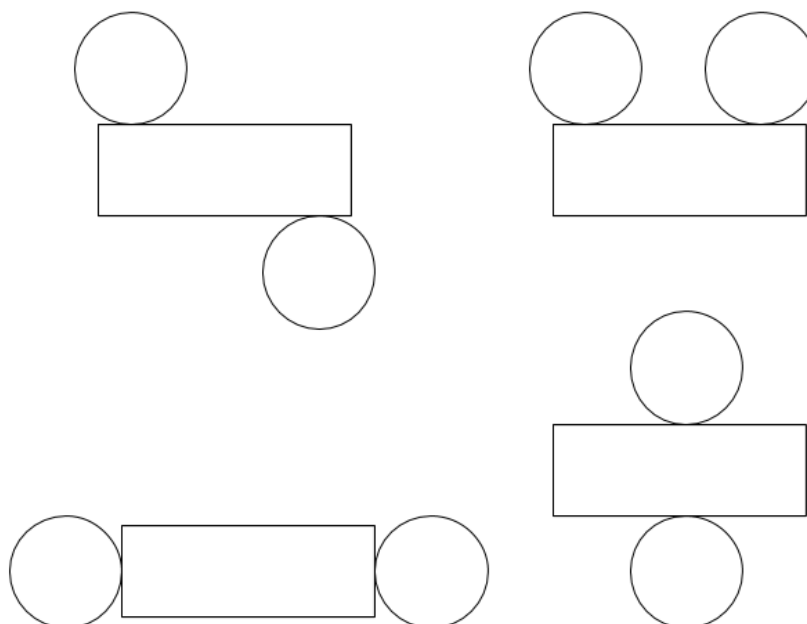

---

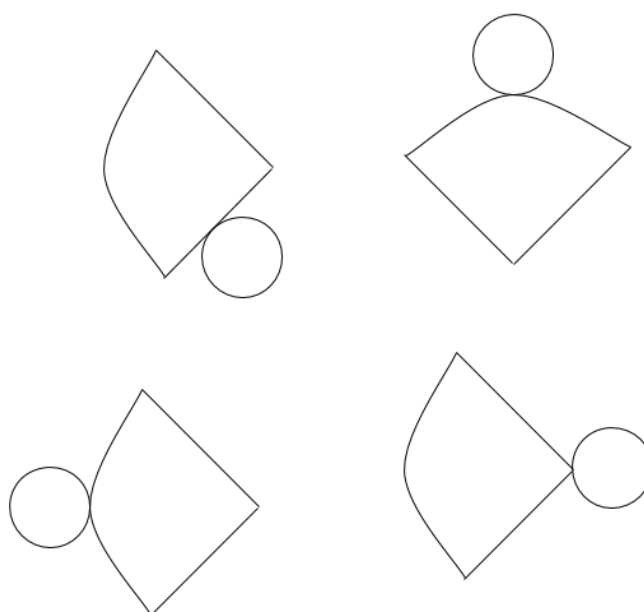

4. Look at the 3D nets below. Circle the nets that would fold to make a **triangular based pyramid**.

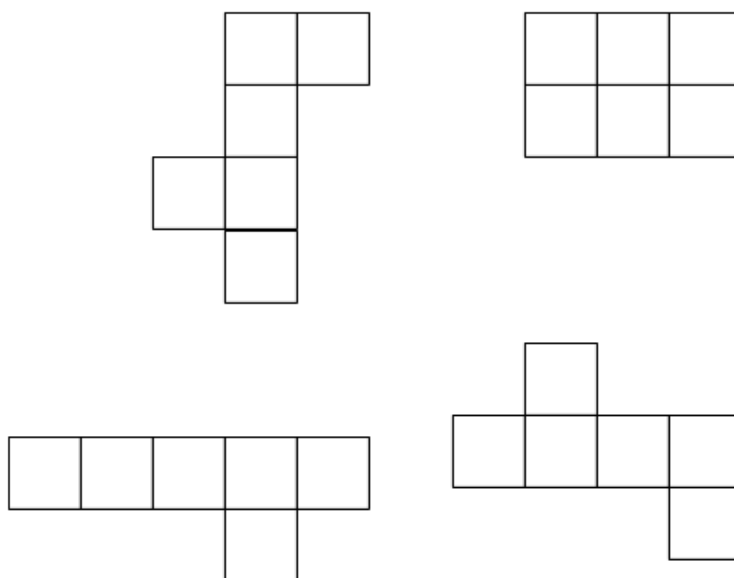

5. Look at the 3D nets below. Circle the nets that would fold to make a **cylinder**.

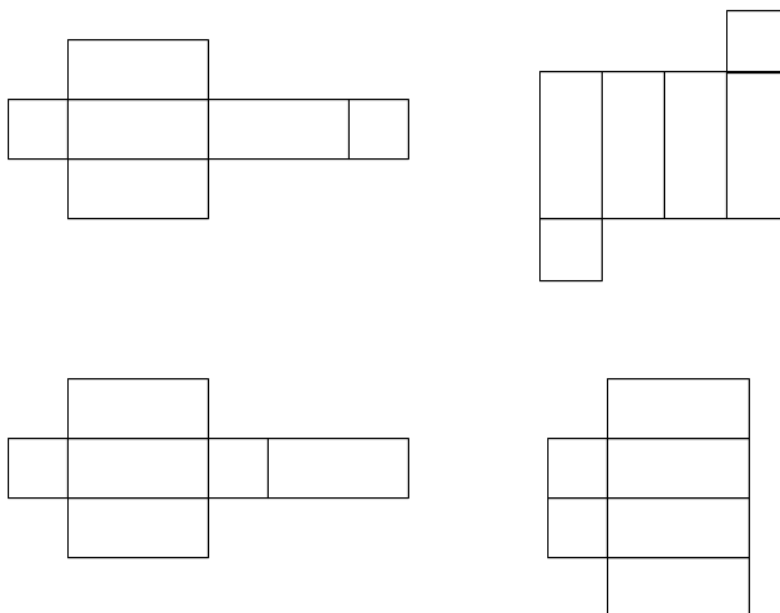

6. Look at the 3D nets below. Circle the nets that would fold to make a **cone**.

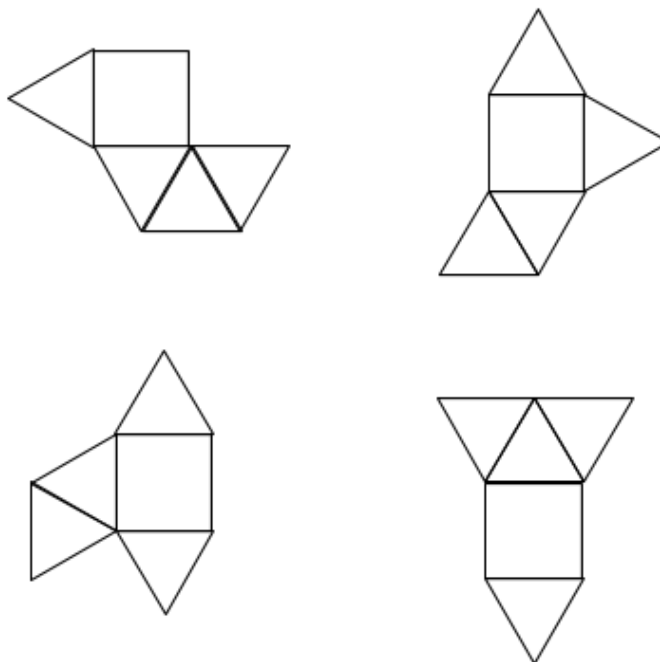

7. Look at the 3D nets below. Circle the nets that would fold to make a **cube**.

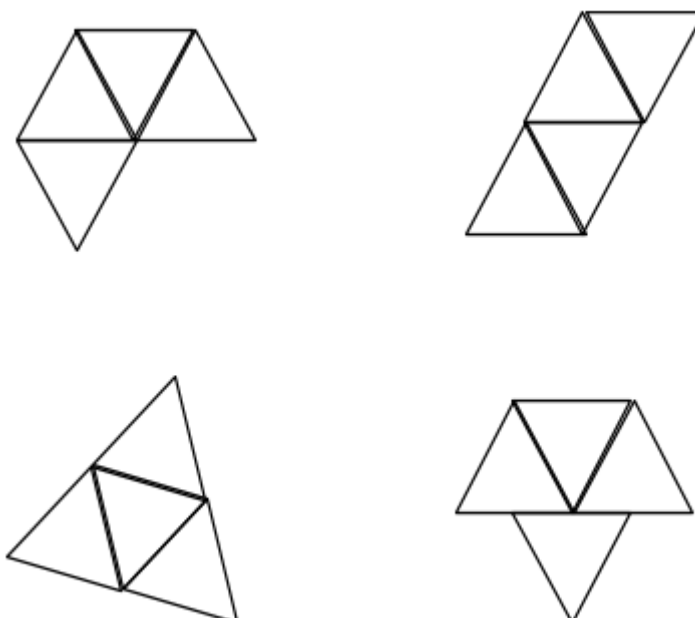

8. Look at the 3D nets below. Circle the nets that would fold to make a **cuboid**.

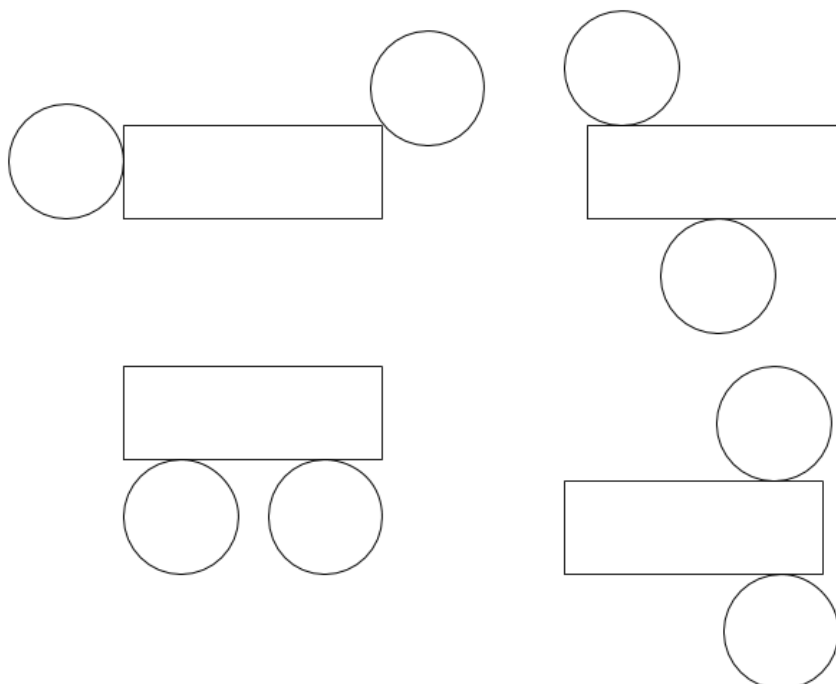

9. Look at the 3D nets below. Circle the nets that would fold to make a **square based pyramid**.

10. Look at the 3D nets below. Circle the nets that would fold to make a **triangular based pyramid**.

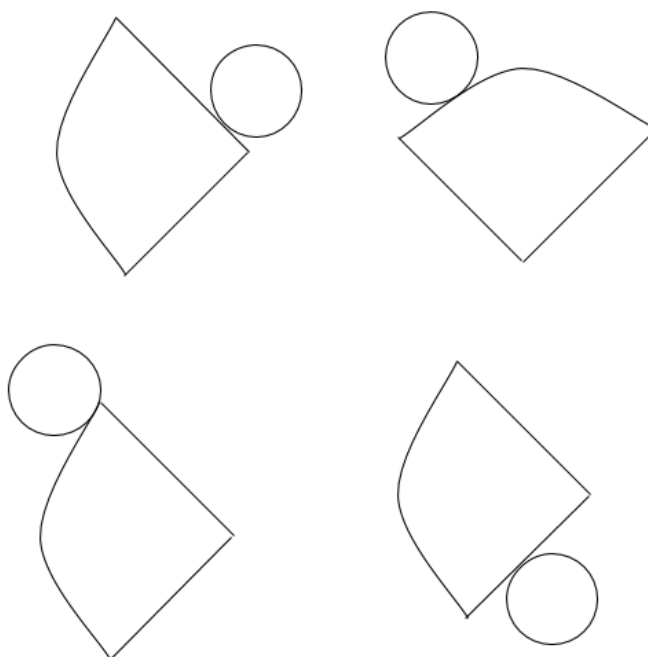

11. Look at the 3D nets below. Circle the nets that would fold to make a **cylinder**.

---

12. Look at the 3D nets below. Circle the nets that would fold to make a **cone**.

**Answers**

- 1. Top right, bottom left**
- 2. Top right, bottom left**
- 3. Top left, bottom right**
- 4. Top left, bottom right**
- 5. Top left, bottom right**
- 6. Top right, bottom left**
- 7. Top left, bottom right**
- 8. Top right, bottom left**
- 9. Top right, bottom right**
- 10. Top right, bottom left**
- 11. Top right, bottom right**
- 12. Top right, bottom left**
