

**Q5 (Venn-Number Work) Day 35 Name:** \_\_\_\_\_

1. a) Look at the numbers below. Put them in the correct areas of the Venn diagram.

6      9      10      18      30

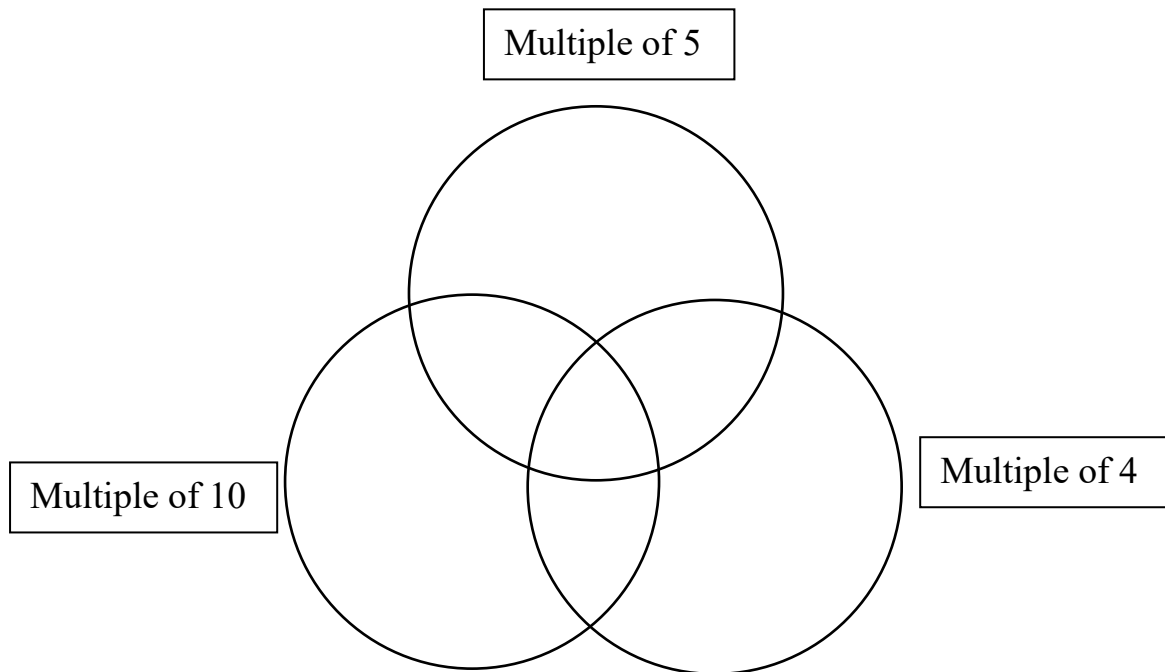

b) Look again at the Venn diagram in **Q1 a)**. Can you think of a number **between 1 and 50** that would go in the **section between the Multiple of 9 and the Multiple of 5** of the Venn diagram? Write your answer in the space below.

\_\_\_\_\_

\_\_\_\_\_

2. a) Look at the numbers below. Put them in the correct areas of the Venn diagram.

4    5    10    24

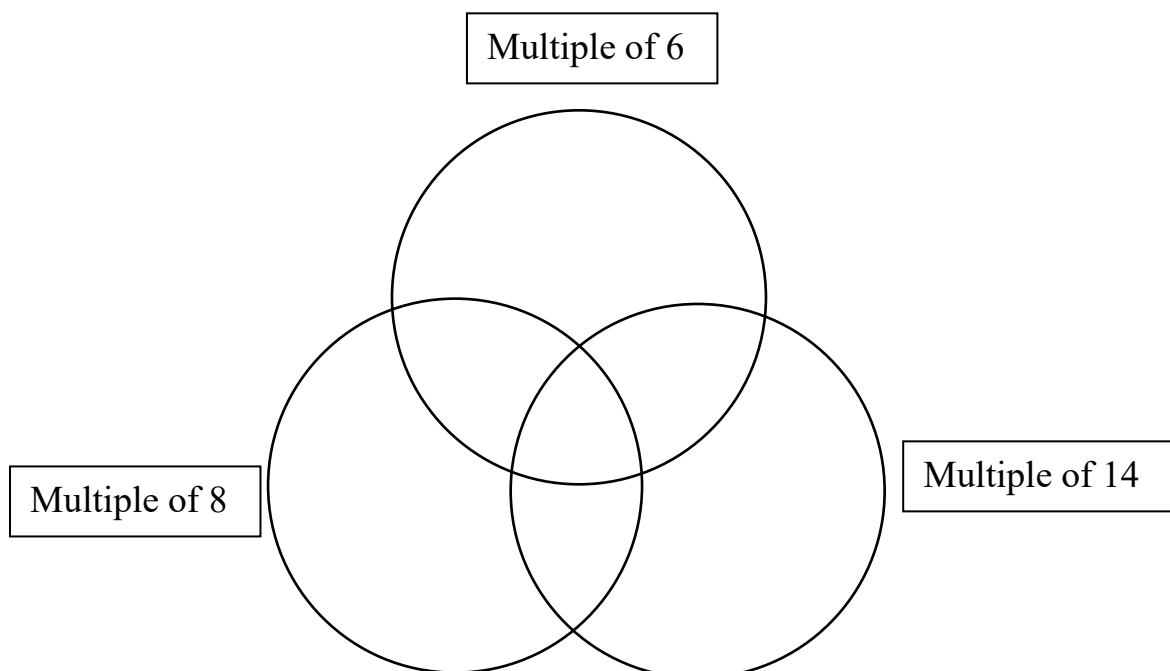

b) Look again at the Venn diagram in **Q2 a)**. Can you think of a number **between 30 and 60** that would go in the **middle section** of the Venn diagram? Write your answer in the space below.

---

---

3. a) Look at the numbers below. Put them in the correct areas of the Venn diagram.

6    8    14    18    24    28

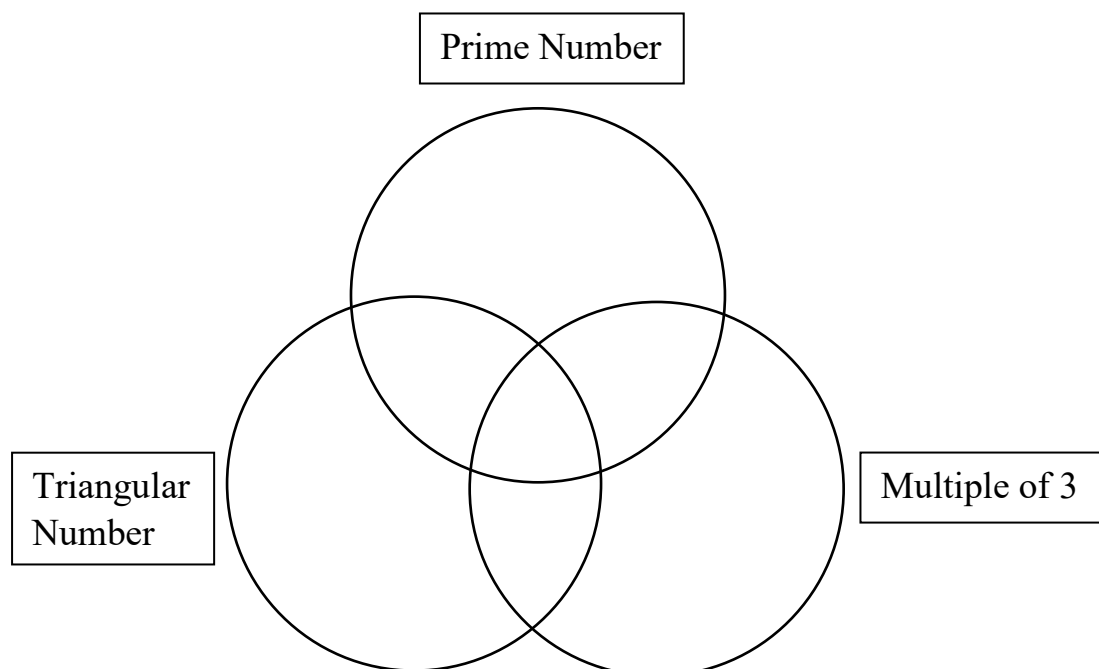

b) Look again at the Venn diagram in **Q3 a)**. Can you think of a number **between 1 and 50** that would go in the **section between the Multiple of 6 and the Multiple of 14** of the Venn diagram? Write your answer in the space below.

---

---

4. a) Look at the numbers below. Put them in the correct areas of the Venn diagram.

1    2    4    5    6

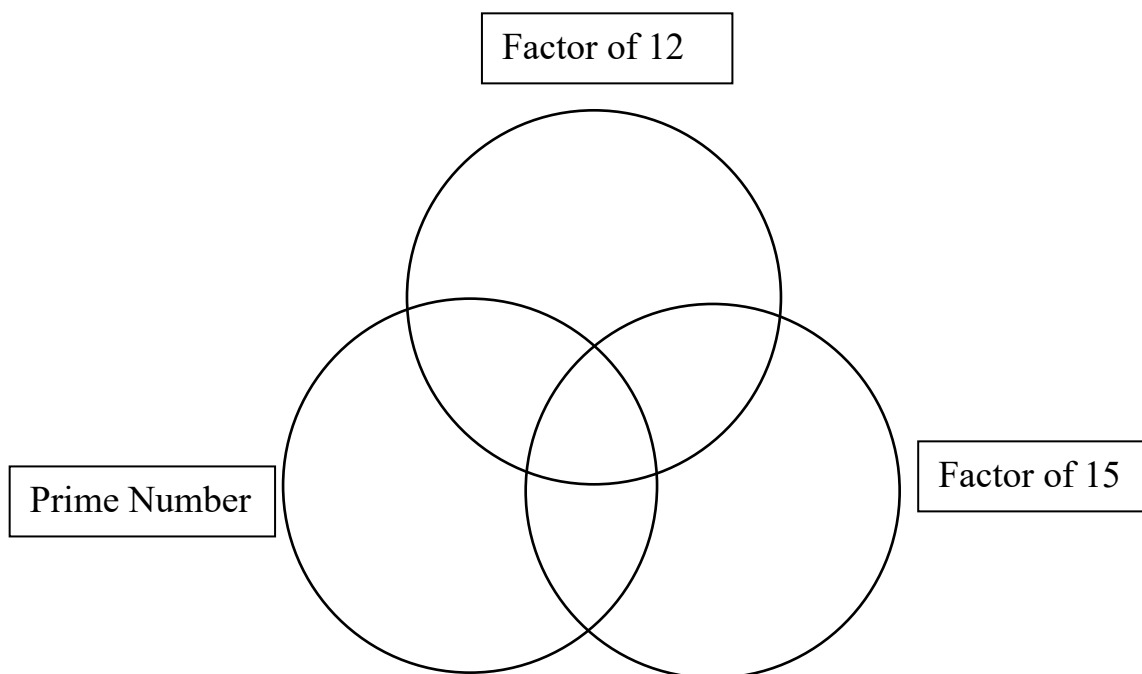

b) Look again at the Venn diagram in **Q4 a)**. Can you think of a number **between 1 and 20** that would go in the **middle section** of the Venn diagram? Write your answer in the space below.

---

---

5. a) Look at the numbers below. Put them in the correct areas of the Venn diagram.

2    4    5    7    10

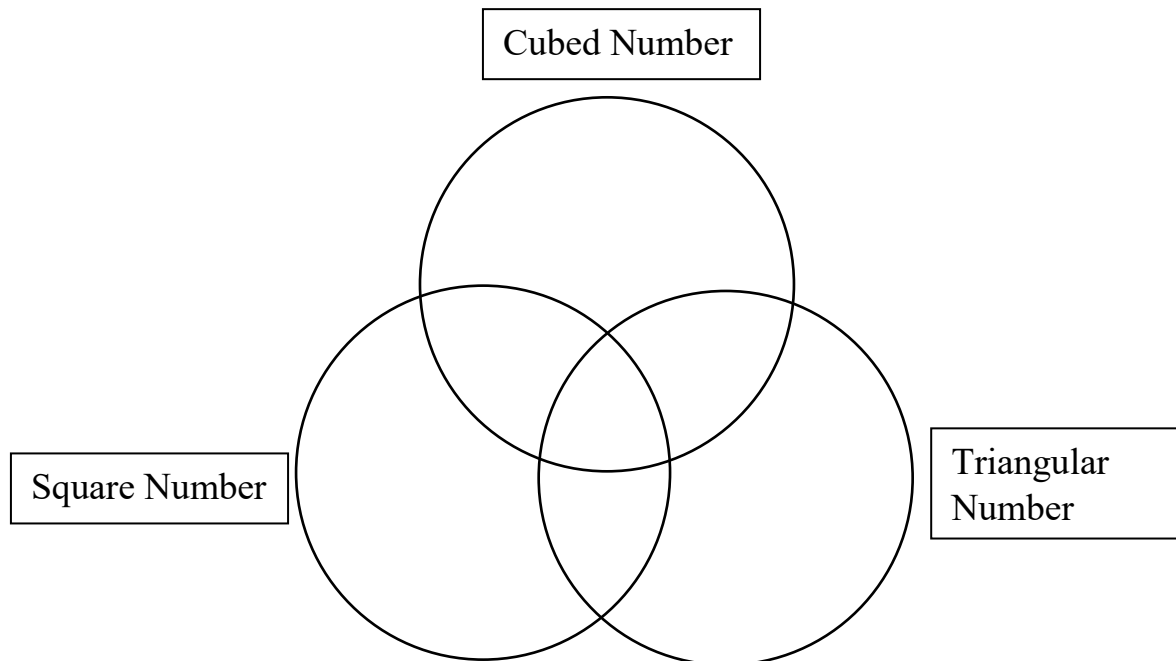

b) Look again at the Venn diagram in **Q5 a)**. Can you think of a number that would go in the **middle section** of the Venn diagram? Write your answer in the space below.

---

---

6. a) Look at the numbers below. Put them in the correct areas of the Venn diagram.

4    6    8    15    16

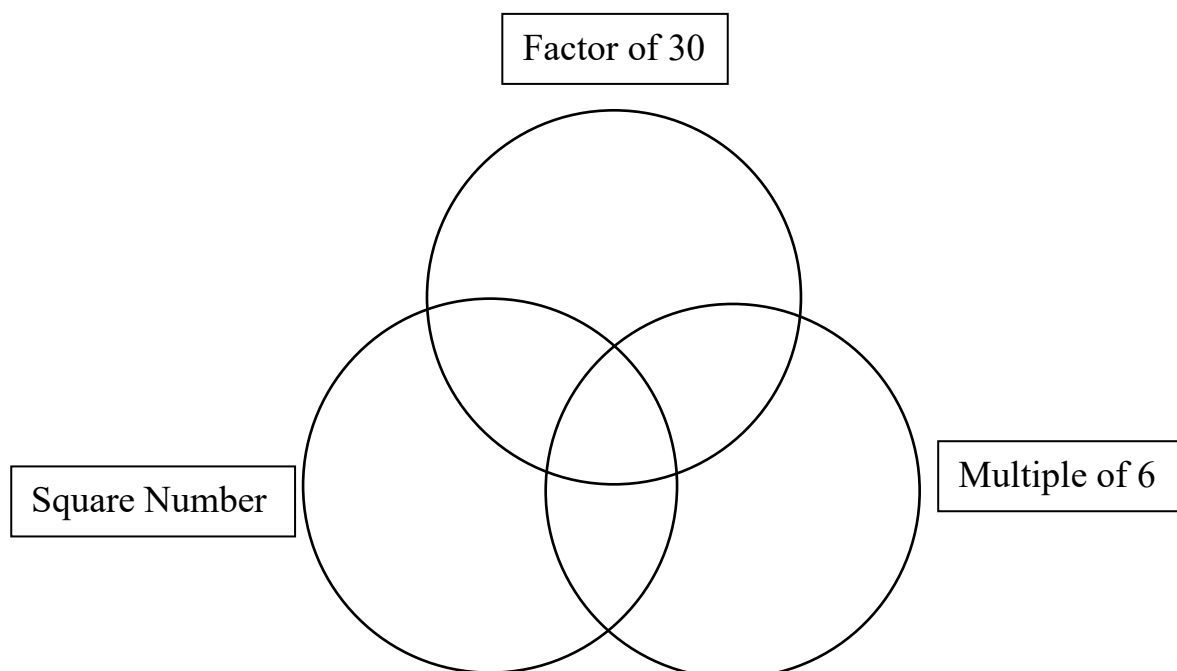

b) Look again at the Venn diagram in **Q6 a)**. Can you think of a number **between 0 and 30** that would go in the **middle section** of the Venn diagram? Write your answer in the space below.

---

---

7. a) Look at the numbers below. Put them in the correct areas of the Venn diagram.

1      4      6      12      15

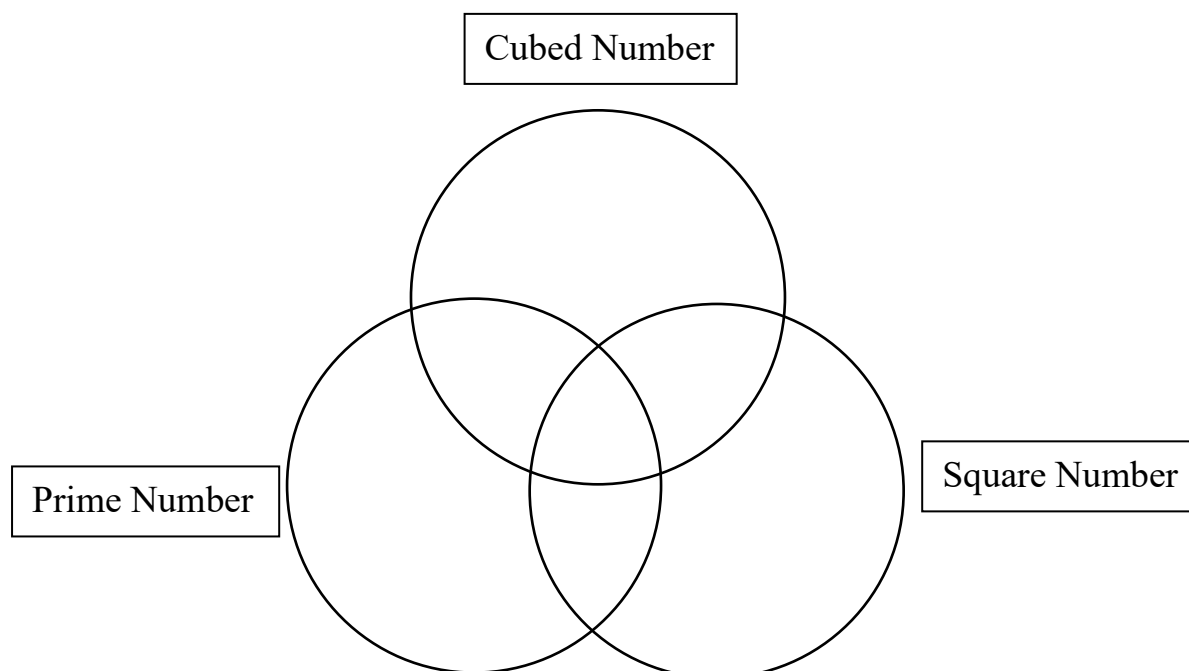

b) Look again at the Venn diagram in **Q7 a)**. Can you think of a number **between 1 and 50** that would go in the **section between the Multiple of 6 and square number** of the Venn diagram? Write your answer in the space below.

---

---

8. a) Look at the numbers below. Put them in the correct areas of the Venn diagram.

1      4      8      13      16

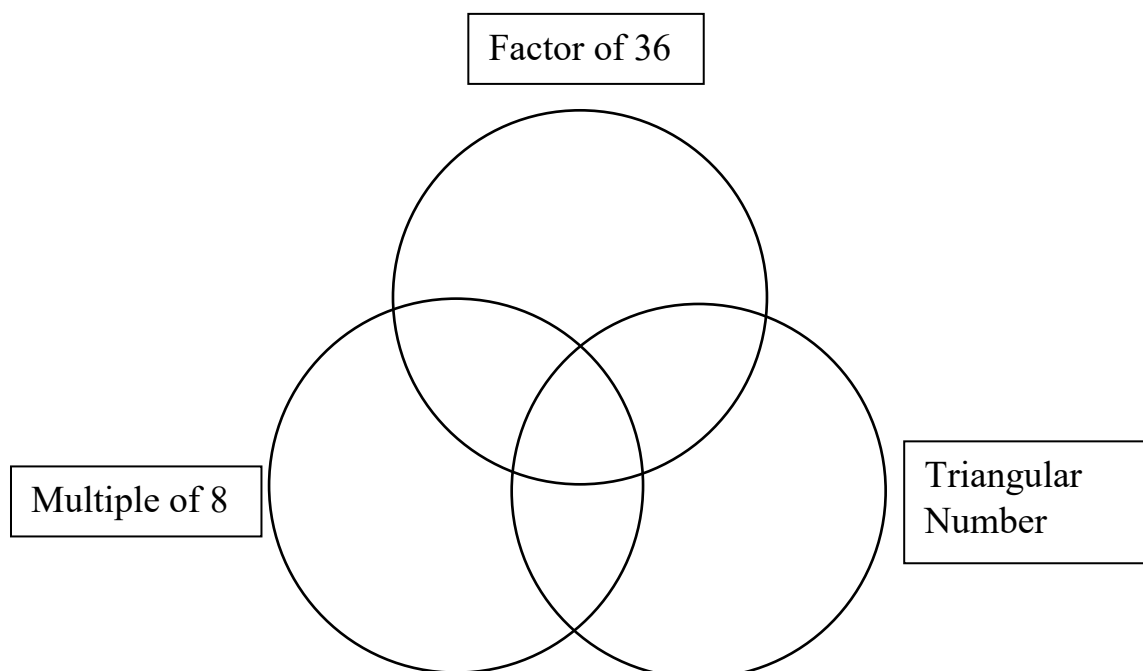

b) Look again at the Venn diagram in **Q8 a)**. Can you think of another number **between 1 and 100** that would go in the **section between Square Number and the Cubed Number** of the Venn diagram? Write your answer in the space below.

---

---

9. a) Look at the numbers below. Put them in the correct areas of the Venn diagram.

3    8    12    15    16

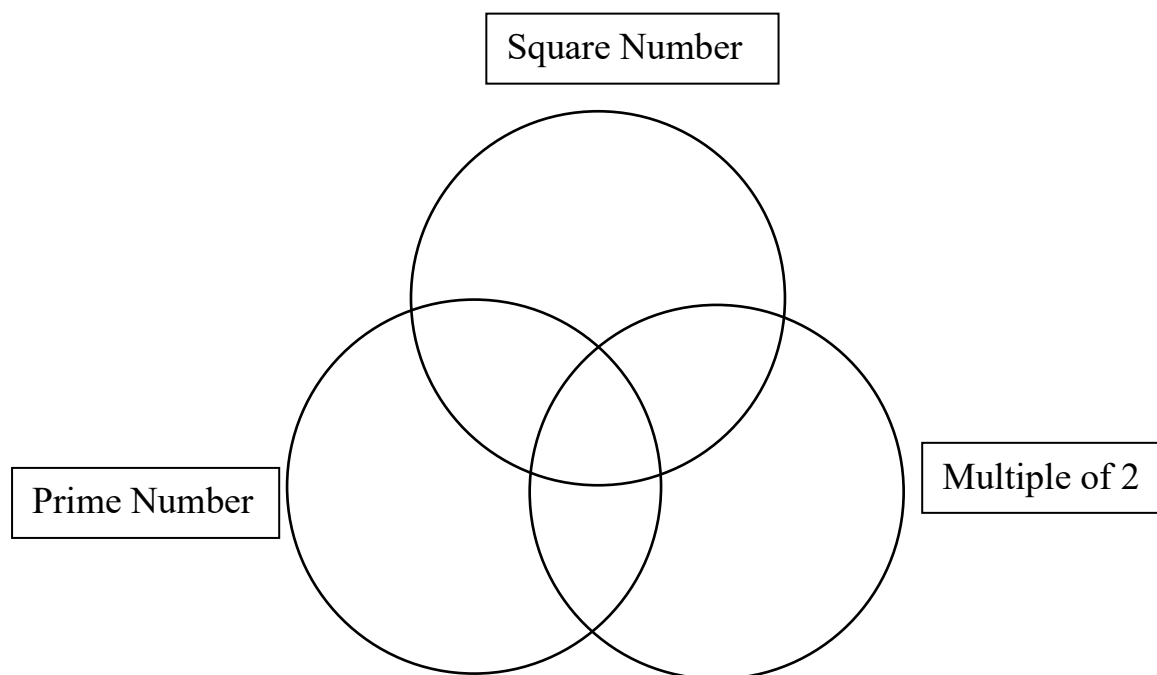

b) Look again at the Venn diagram in **Q9 a)**. Can you think of another number **between 1 and 25** that would go in the **section between Factor of 36 and triangular number** of the Venn diagram? Write your answer in the space below.

---

---

10. a) Look at the numbers below. Put them in the correct areas of the Venn diagram.

2    9    15    18    23

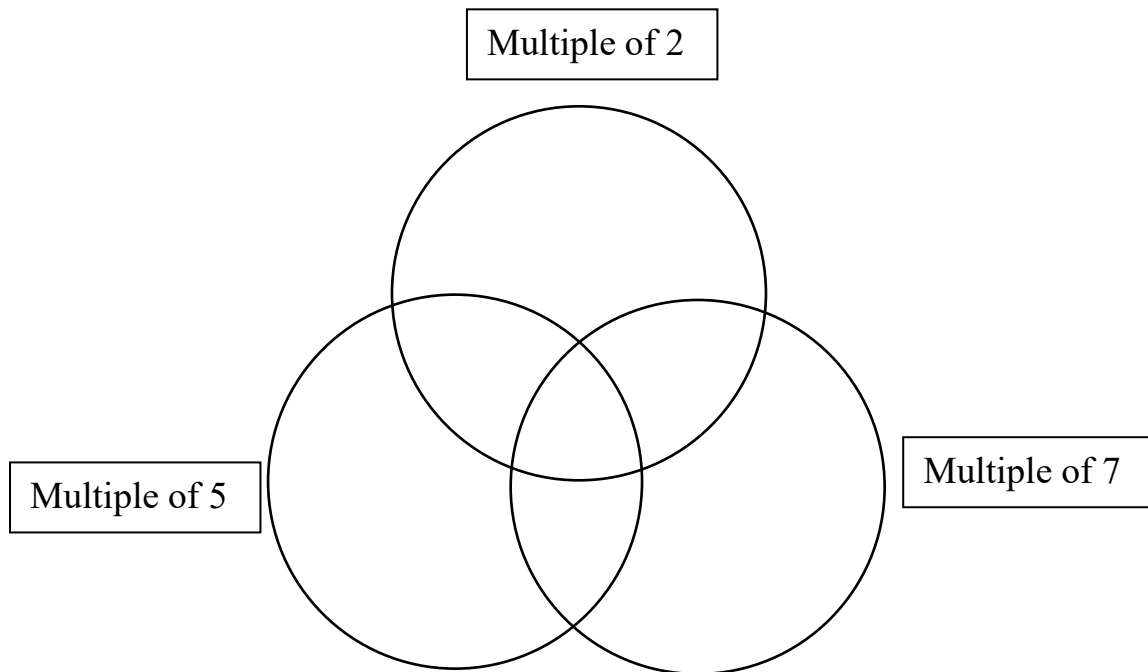

b) Look again at the Venn diagram in **Q10 a)**. Can you think of a number **between 20 and 60** that would go in the **section between square number and Multiple of 2** of the Venn diagram? Write your answer in the space below.

---

---

11. a) Look at the numbers below. Put them in the correct areas of the Venn diagram.

4    5    10    14    35

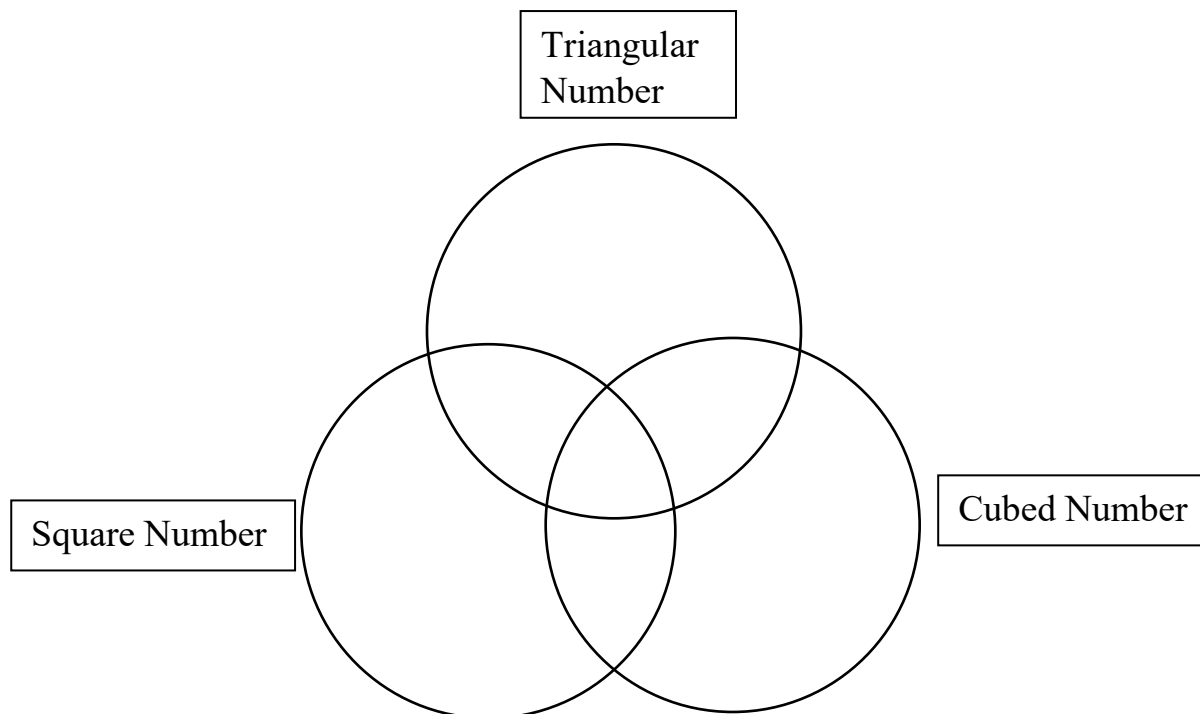

b) Look again at the Venn diagram in **Q11 a)**. Can you think of a number **between 1 and 100** that would go in the **middle section** of the Venn diagram? Write your answer in the space below.

---

---

12. a) Look at the numbers below. Put them in the correct areas of the Venn diagram.

3    4    8    10    16    27

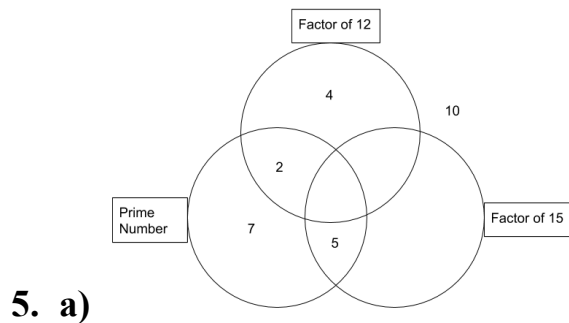

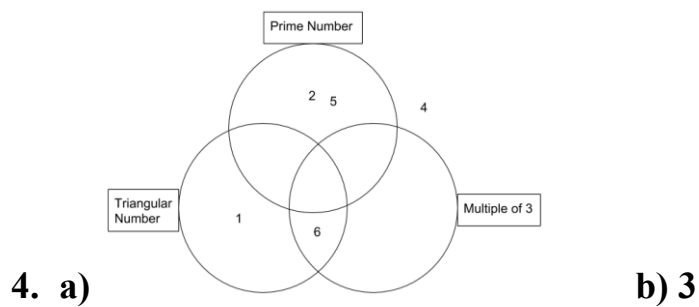

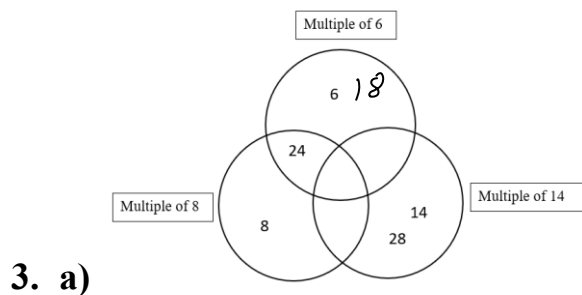

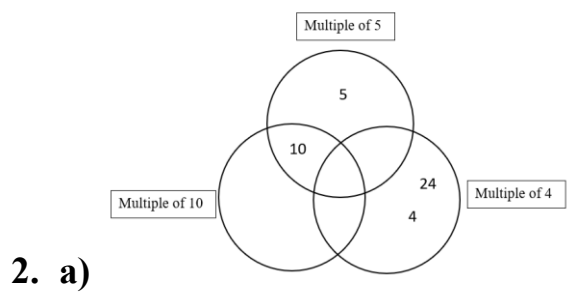

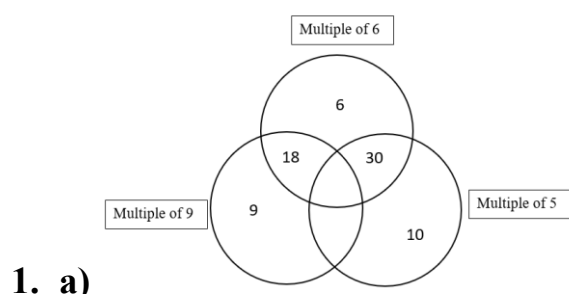

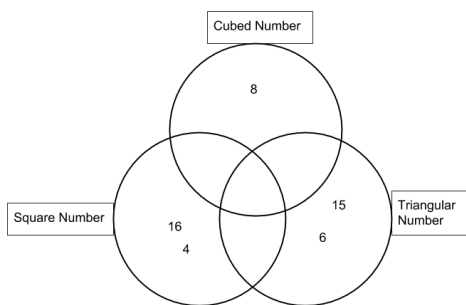

b) Look again at the Venn diagram in **Q12 a)**. Can you think of a number **between 1 and 100** that would go in the **middle section** of the Venn diagram? Write your answer in the space below.

---

**Answers**

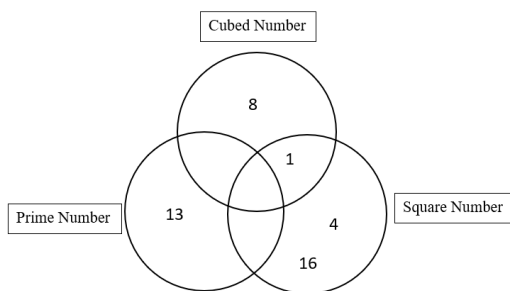

6. a)

b) 1

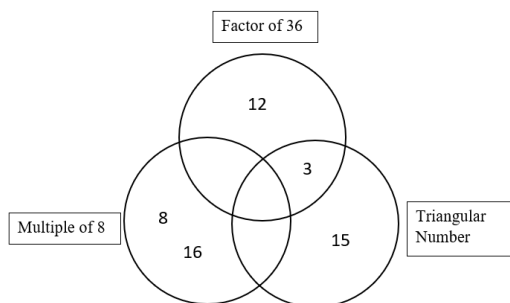

7. a)

b) 36

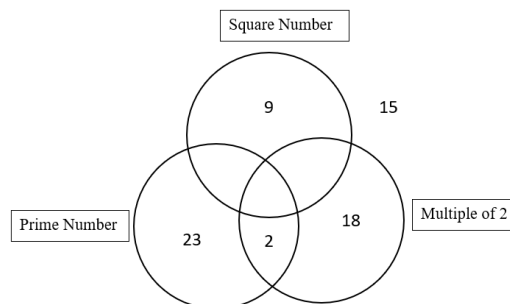

8. a)

b) 64

9. a)

b) 6

10.a)

b) 36
