What is the **area** of this shape? Give your answer in **cm²**. Write your answer in the space below.

_____ cm²

3. Look at the shape below.

What is the **area** of this shape? Give your answer in **cm²**. Write your answer in the space below.

_____ cm²

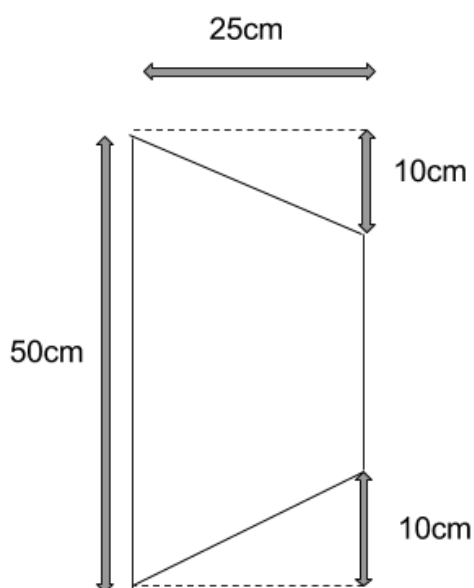

4. Look at the shape below.

What is the **area** of this shape? Give your answer in **cm²**. Write your answer in the space below.

_____ cm²

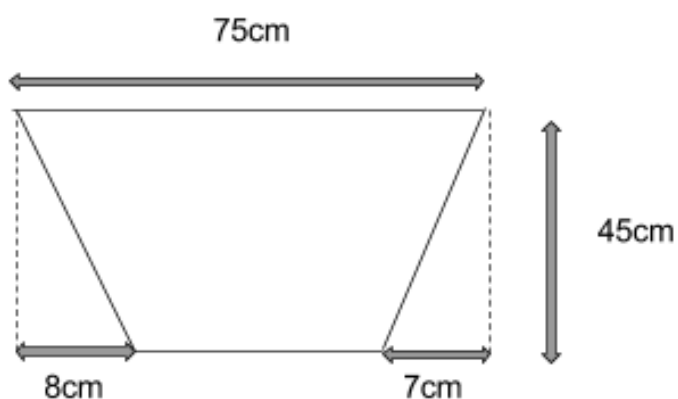

5. Look at the shape below.

What is the **area** of this shape? Give your answer in **cm²**. Write your answer in the space below.

_____ cm²

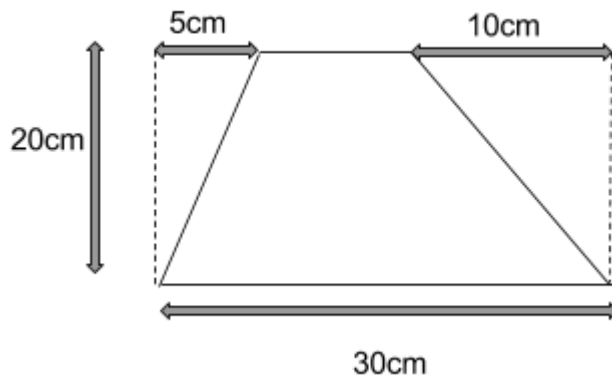

6. Look at the shape below.

What is the **area** of this shape? Give your answer in **cm²**. Write your answer in the space below.

_____ cm²

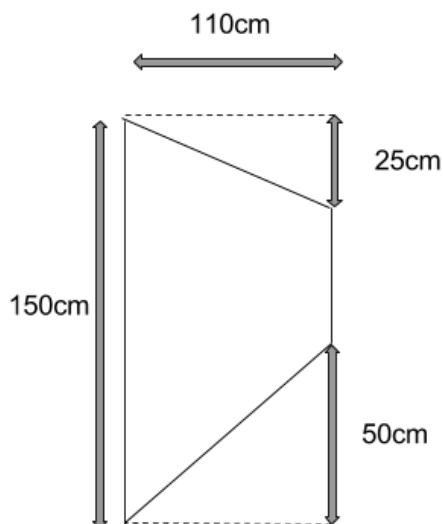

7. Look at the shape below.

What is the **area** of this shape? Give your answer in **cm²**. Write your answer in the space below.

_____ cm²

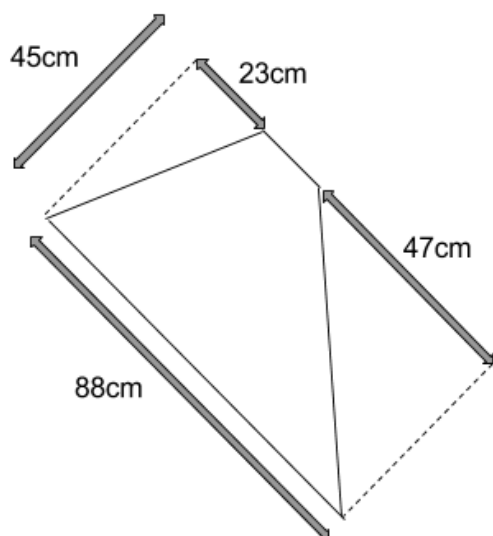

8. Look at the shape below.

What is the **area** of this shape? Give your answer in **cm²**. Write your answer in the space below.

_____ cm²

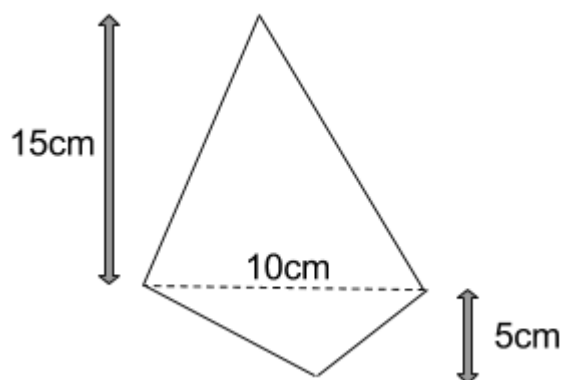

9. Look at the shape below.

What is the **area** of this shape? Give your answer in **cm²**. Write your answer in the space below.

_____ cm²

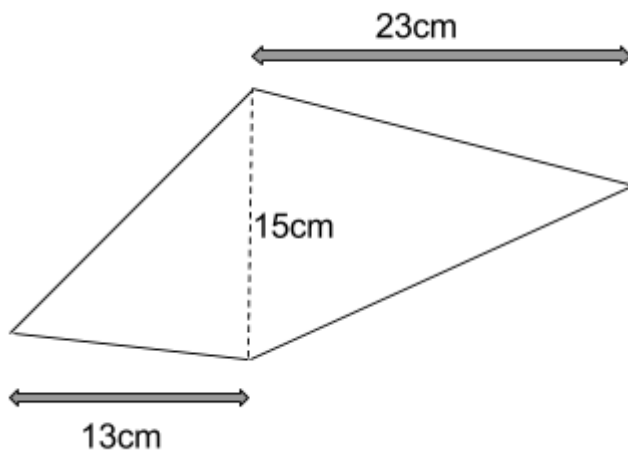

10. Look at the shape below.

What is the **area** of this shape? Give your answer in **cm²**. Write your answer in the space below.

_____ cm²

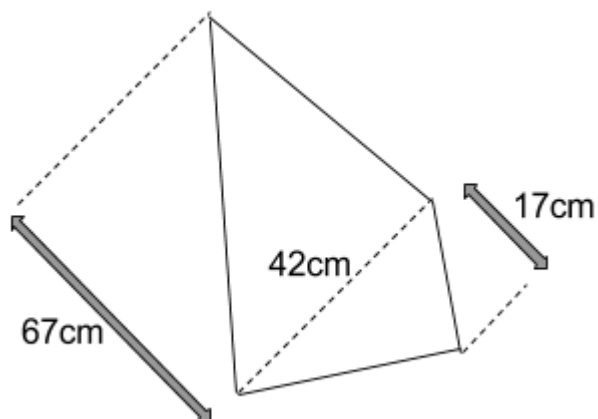

11. Look at the shape below.

What is the **area** of this shape? Give your answer in **cm²**. Write your answer in the space below.

_____ cm²

12. Look at the shape below.

What is the **area** of this shape? Give your answer in **cm²**. Write your answer in the space below.

_____ cm²

Answers

1. 115.5
2. 270
3. 5850
4. 500
5. 1000
6. 3037.5
7. 450
8. 12375
9. 2385
10. 100
11. 270
12. 1764
