

Q4 (Volume) Day 78 Name: _____

1. A rubber is shaped like a **cuboid**. It measures **5mm** by **2mm** by **7mm**. What is the **volume** of the rubber? Write your answer in the space below.

_____mm³

2. A rubber is shaped like a **cuboid**. It measures **3mm** by **8mm** by **4mm**. What is the **volume** of the rubber? Write your answer in the space below.

_____mm³

3. A rubber is shaped like a **cuboid**. It measures **9mm** by **6mm** by **5mm**. What is the **volume** of the rubber? Write your answer in the space below.

_____mm³

4. A rubber is shaped like a **cuboid**. It measures **6mm** by **2mm** by **2.7mm**. What is the **volume** of the rubber? Write your answer in the space below.

_____mm³

5. A rubber is shaped like a **cuboid**. It measures **4mm** by **3mm** by **1.8mm**. What is the **volume** of the rubber? Write your answer in the space below.

_____mm³

6. A rubber is shaped like a **cuboid**. It measures **8mm** by **5mm** by **0.9mm**. What is the **volume** of the rubber? Write your answer in the space below.

_____mm³

7. A rubber is shaped like a **cuboid**. It measures **1.9mm** by **4mm** by **2.3mm**. What is the **volume** of the rubber? Write your answer in the space below.

_____mm³

8. A rubber is shaped like a **cuboid**. It measures **2.7mm** by **6mm** by **3.9mm**. What is the **volume** of the rubber? Write your answer in the space below.

_____mm³

9. A rubber is shaped like a **cuboid**. It measures **3.4mm** by **3mm** by **0.3mm**. What is the **volume** of the rubber? Write your answer in the space below.

_____mm³

10. A rubber is shaped like a **cuboid**. It measures **0.2mm** by **1.4mm** by **2.6mm**. What is the **volume** of the rubber? Write your answer in the space below.

_____mm³

11. A rubber is shaped like a **cuboid**. It measures **0.19mm** by **9.6mm** by **3.4mm**. What is the **volume** of the rubber? Write your answer in the space below.

_____mm³

12. A rubber is shaped like a **cuboid**. It measures **3.24mm** by **3.4mm** by **0.17mm**. What is the **volume** of the rubber? Write your answer in the space below.

_____mm³

Answers

- 1. 70**
- 2. 96**
- 3. 270**
- 4. 32.4**
- 5. 21.6**
- 6. 36**
- 7. 17.48**
- 8. 63.18**
- 9. 3.06**
- 10. 0.728**
- 11. 6.2016**
- 12. 1.87272**
