

Q5 (Decision Tree Number Work) Day 90 Name: _____

1. Look at the 6 numbers in the rectangle below.

13	16	25	35	41	55
-----------	-----------	-----------	-----------	-----------	-----------

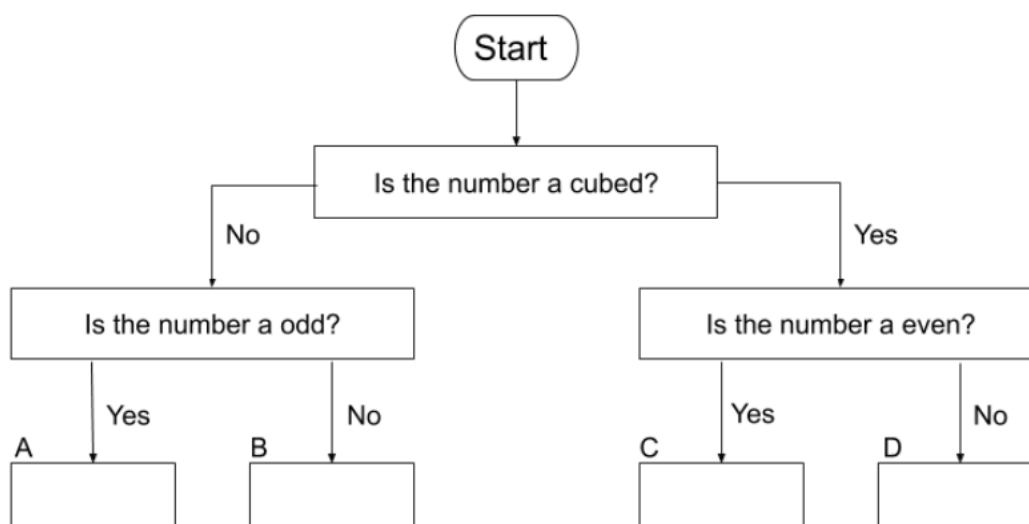

Now look at the **decision tree** below. **One of the 6 numbers** in the rectangle above goes in **box D**. Which **number**? Write your answer **in box D**.

2. Look at the 6 numbers in the rectangle below.

1	16	27	36	45	64
----------	-----------	-----------	-----------	-----------	-----------

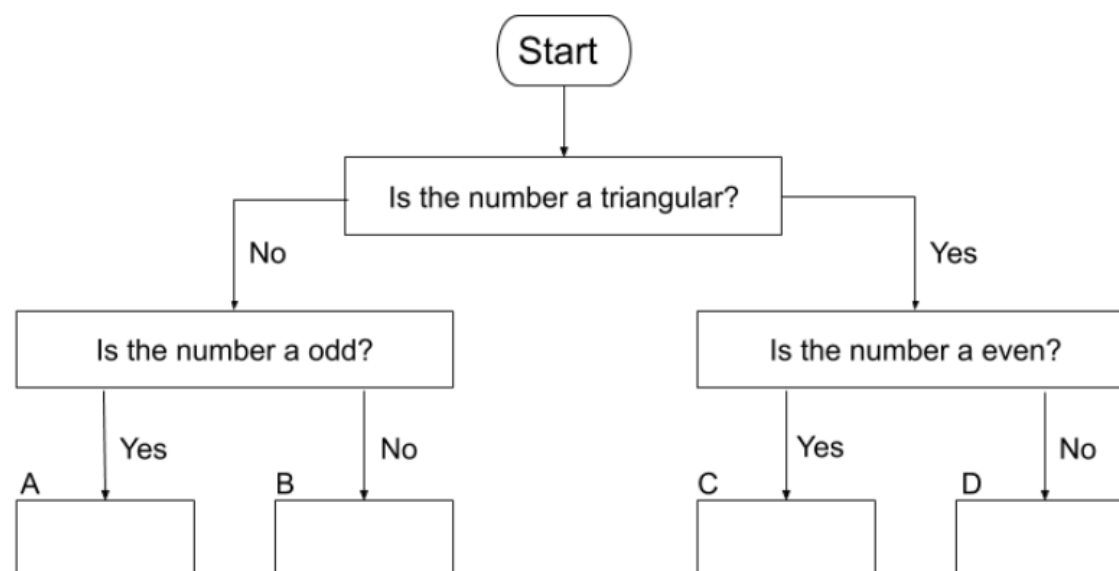

Now look at the **decision tree** below. **One of the 6 numbers** in the rectangle above goes in **box C**. Which **number**? Write your answer **in box C**.

3. Look at the 6 numbers in the rectangle below.

1	16	28	33	45	48
---	----	----	----	----	----

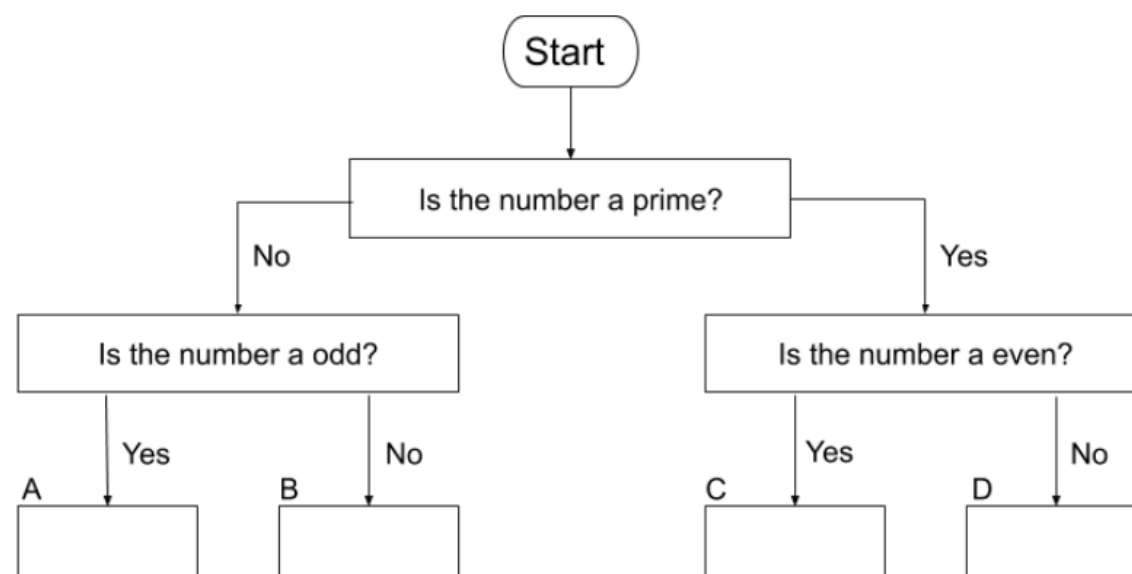

Now look at the **decision tree** below. **One of the 6 numbers** in the rectangle above goes in **box C**. Which **number**? Write your answer **in box C**.

4. Look at the 6 numbers in the rectangle below.

2	5	11	24	29	38
---	---	----	----	----	----

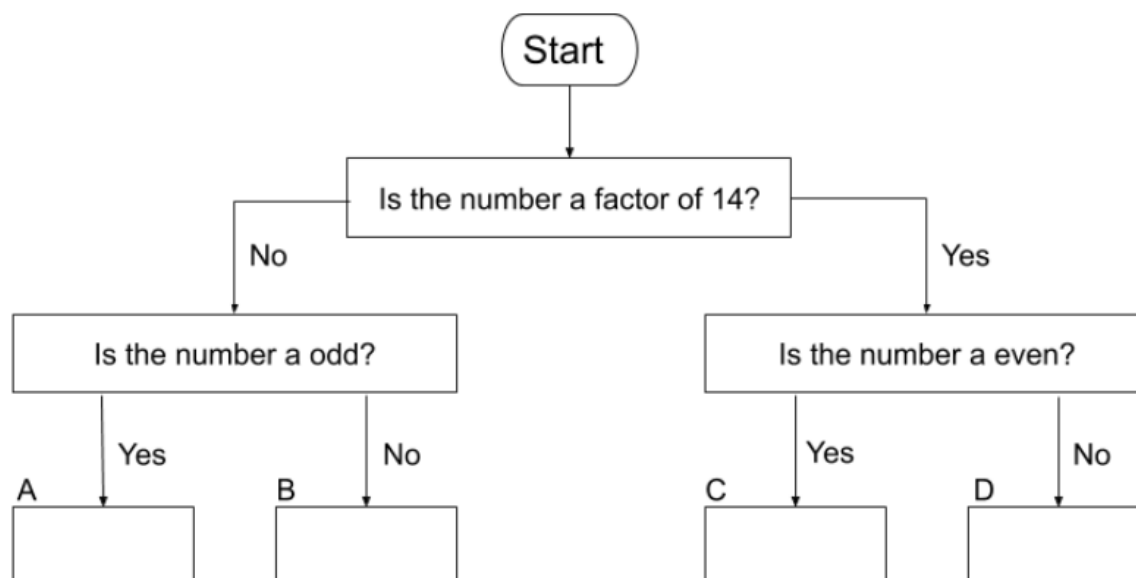

Now look at the **decision tree** below. **One of the 6 numbers** in the rectangle above goes in **box C**. Which **number**? Write your answer **in box C**.

5. Look at the 6 numbers in the rectangle below.

1	2	14	28	32	40
---	---	----	----	----	----

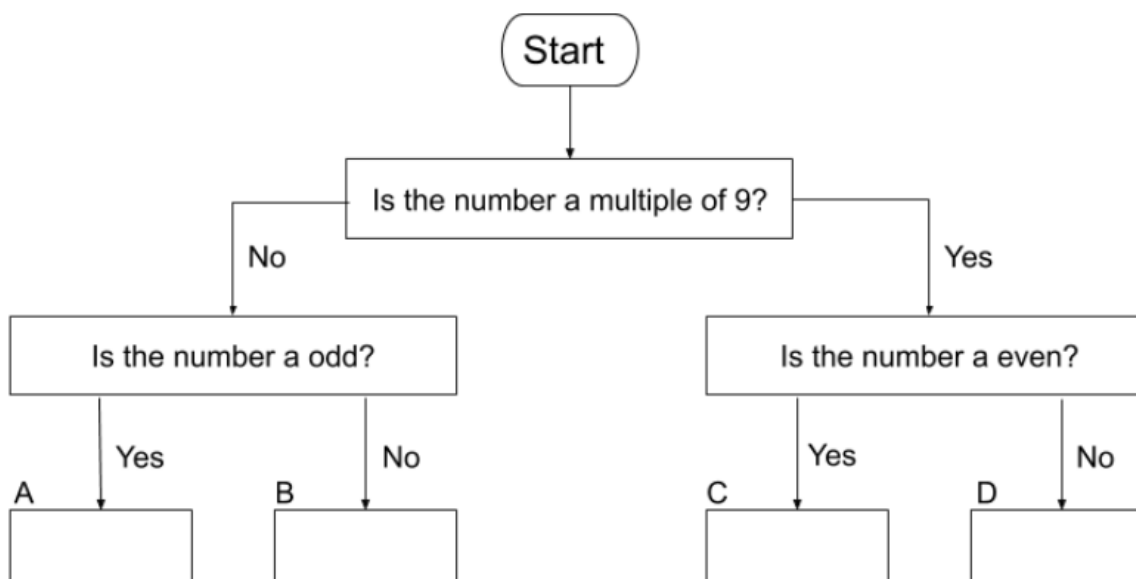

Now look at the **decision tree** below. **One of the 6 numbers** in the rectangle above goes in **box D**. Which **number**? Write your answer in **box D**.

6. Look at the 6 numbers in the rectangle below.

7	9	19	27	49	54
---	---	----	----	----	----

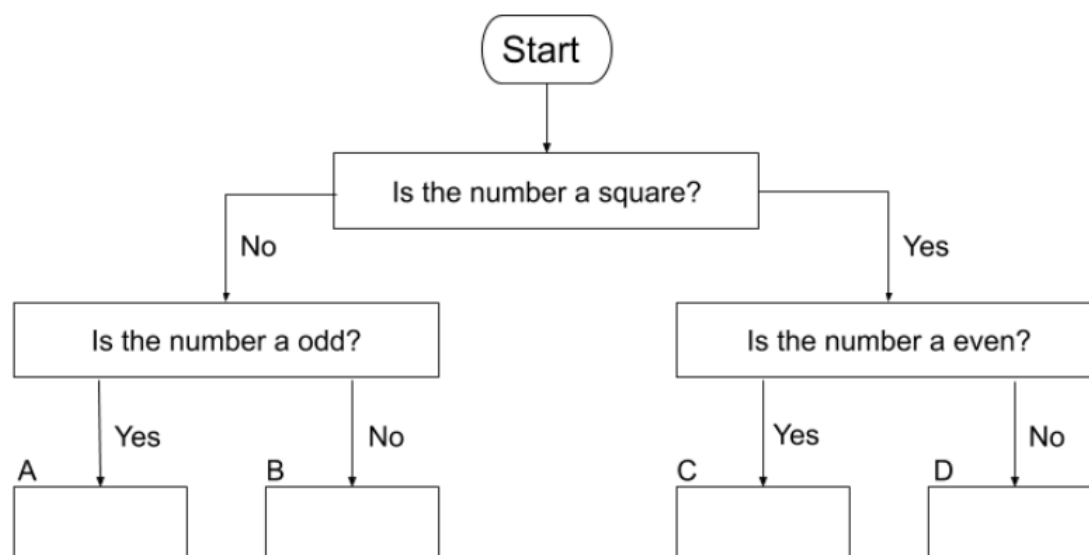

Now look at the **decision tree** below. **One of the 6 numbers** in the rectangle above goes in **box C**. Which **number**? Write your answer in **box C**.

7. Look at the 6 numbers in the rectangle below.

1	4	25	32	39	49
---	---	----	----	----	----

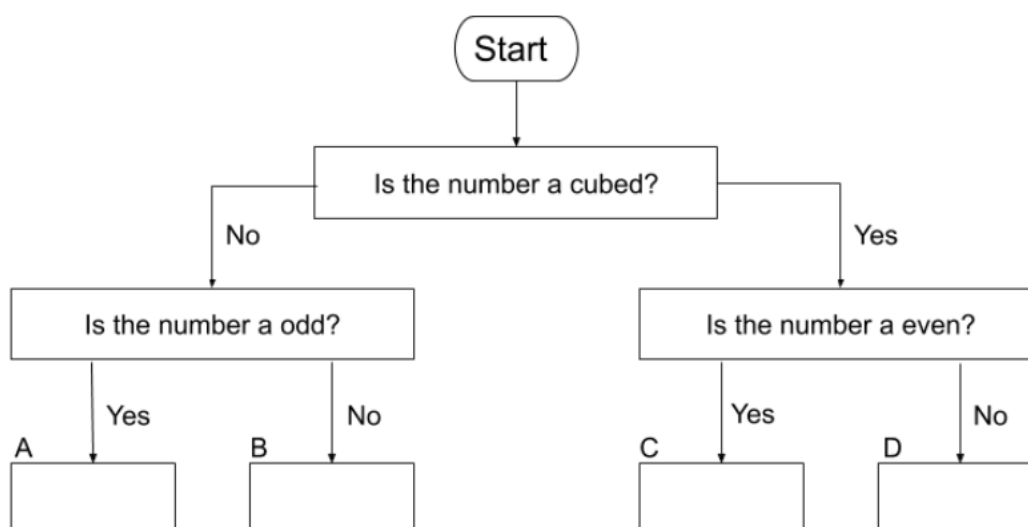

Now look at the **decision tree** below. **One of the 6 numbers** in the rectangle above goes in **box A**. Which **number**? Write your answer **in box A**.

8. Look at the 6 numbers in the rectangle below.

3	36	64	90	125	225
---	----	----	----	-----	-----

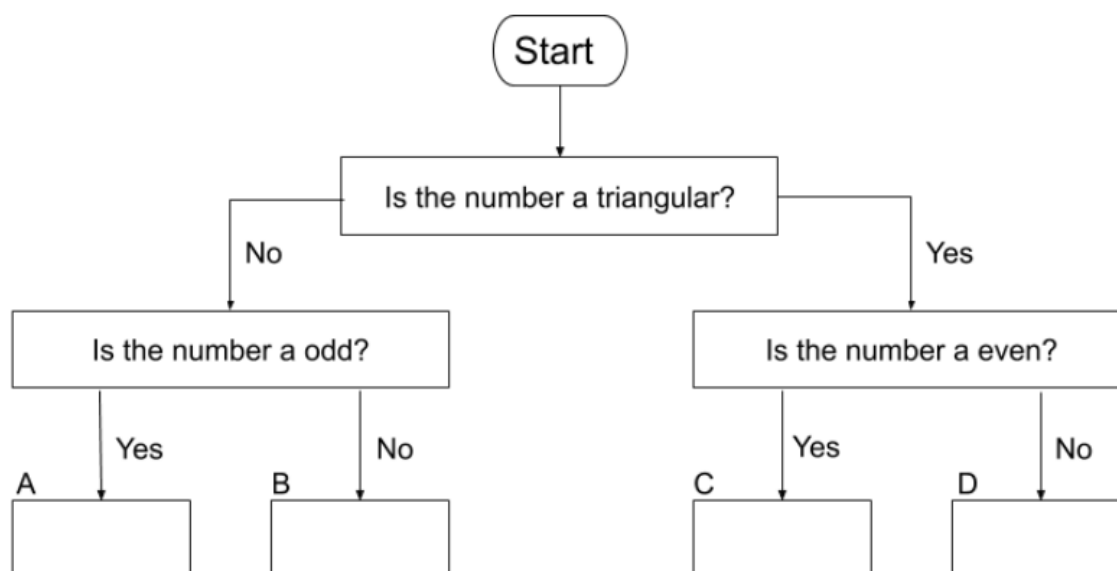

Now look at the **decision tree** below. **One of the 6 numbers** in the rectangle above goes in **box D**. Which **number**? Write your answer **in box D**.

9. Look at the 6 numbers in the rectangle below.

1	3	16	21	24	36
---	---	----	----	----	----

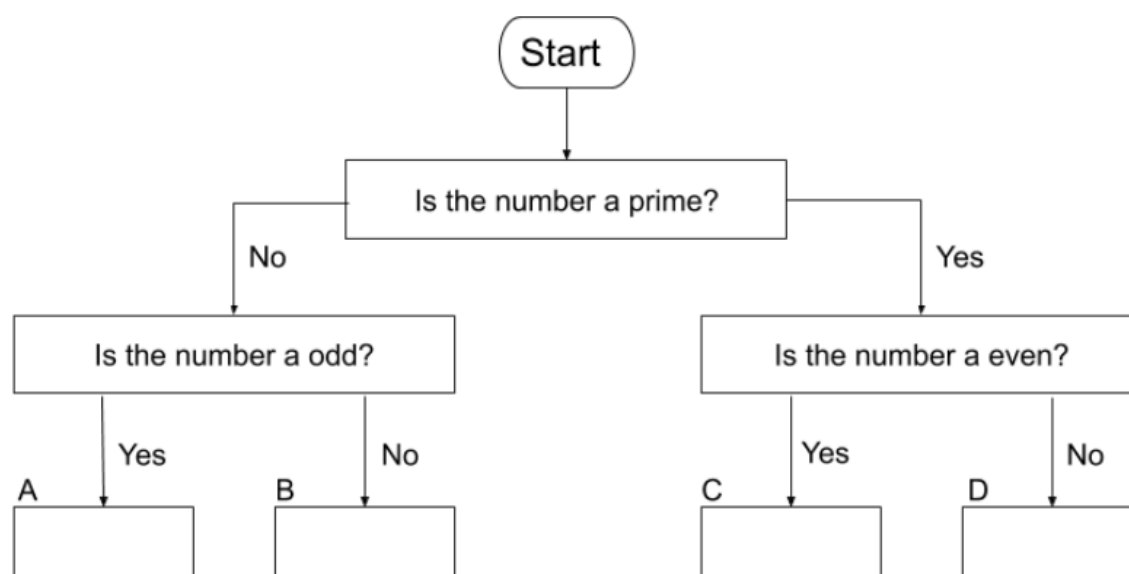

Now look at the **decision tree** below. **One of the 6 numbers** in the rectangle above goes in **box B**. Which **number**? Write your answer **in box B**.

10. Look at the 6 numbers in the rectangle below.

9	13	29	31	42	59
---	----	----	----	----	----

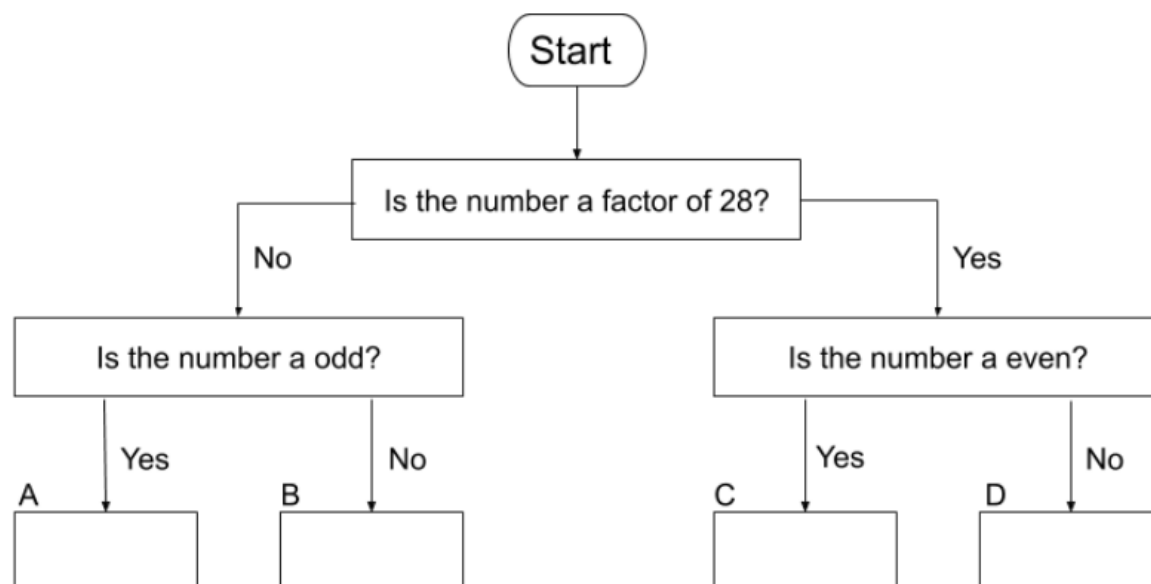

Now look at the **decision tree** below. **One of the 6 numbers** in the rectangle above goes in **box A**. Which **number**? Write your answer **in box A**.

11. Look at the 6 numbers in the rectangle below.

1	7	16	24	28	56
---	---	----	----	----	----

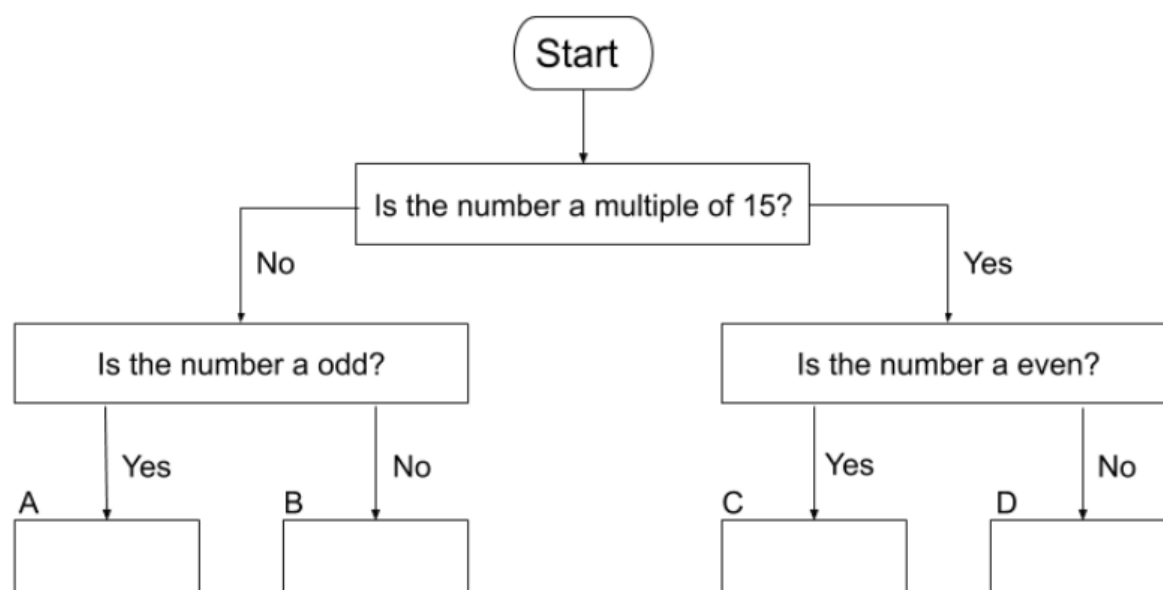

Now look at the **decision tree** below. **One of the 6 numbers** in the rectangle above goes in **box C**. Which **number**? Write your answer **in box C**.

12. Look at the 6 numbers in the rectangle below.

35	40	55	60	75	80
----	----	----	----	----	----

Now look at the **decision tree** below. **One of the 6 numbers** in the rectangle above goes in **box D**. Which **number**? Write your answer **in box D**.

Answers

1. 25
2. 64
3. 28
4. 2
5. 1
6. 54
7. 39
8. 125
9. 16
- 10.9
- 11.28
- 12.75
