Other	7	

The **five percentages** below are the percentages of people who chose each flavor:

34% 11% 26% 20% 9%

Use these five percentages to **complete** the **table**. One percentage has been inserted for you.

2. People were asked to **choose** their favorite **flavor** of **crisp**. The results are shown in the **table below**.

Flavor of Crisp	Number of People	Percentage
Plain	13	19%
Salt and Vinegar	7	
Cheese and Onion	15	
Smokey Bacon	9	
Other	26	

The **five percentages** below are the percentages of people who chose each flavor:

21% 13% 37% 10% 19%

Use these five percentages to **complete** the **table**. One percentage has been inserted for you.

3. People were asked to **choose** their favorite **flavor** of **crisp**. The results are shown in the **table below**.

Flavor of Crisp	Number of People	Percentage
Plain	49	17%
Salt and Vinegar	27	
Cheese and Onion	85	
Smokey Bacon	63	
Other	72	

The **five percentages** below are the percentages of people who chose each flavor:

9% 17% 24% 21% 29%

Use these five percentages to **complete** the **table**. One percentage has been inserted for you.

4. People were asked to **choose** their favorite **flavor** of **crisp**. The results are shown in the **table below**.

Flavor of Crisp	Number of People	Percentage
Plain	112	16%
Salt and Vinegar	123	
Cheese and Onion	147	
Smokey Bacon	86	
Other	224	

The **five percentages** below are the percentages of people who chose each flavor:

18% 21% 16% 32% 12%

Use these five percentages to **complete** the **table**. One percentage has been inserted for you.

5. People were asked to **choose** their favorite **flavor** of **crisp**. The results are shown in the **table below**.

Flavor of Crisp	Number of People	Percentage
Plain	345	23%
Salt and Vinegar	263	
Cheese and Onion	195	
Smokey Bacon	287	
Other	436	

The **five percentages** below are the percentages of people who chose each flavor:

19% 13% 23% 17% 29%

Use these five percentages to **complete** the **table**. One percentage has been inserted for you.

6. People were asked to **choose** their favorite **flavor** of **crisp**. The results are shown in the **table below**.

Flavor of Crisp	Number of People	Percentage
Plain	479	12%
Salt and Vinegar	1432	
Cheese and Onion	796	
Smokey Bacon	441	
Other	836	

The **five percentages** below are the percentages of people who chose each flavor:

12% 11% 20% 36% 21%

Use these five percentages to **complete** the **table**. One percentage has been inserted for you.

7. People were asked to **choose** their favorite **flavor** of **crisp**. The results are shown in the **table below**.

Flavor of Crisp	Number of People	Percentage
Plain	429	20%
Salt and Vinegar	367	
Cheese and Onion	420	
Smokey Bacon	354	
Other	567	

The **five percentages** below are the percentages of people who chose each flavor:

17% 19% 20% 27% 16%

Use these five percentages to **complete** the **table**. One percentage has been inserted for you.

8. People were asked to **choose** their favorite **flavor** of **crisp**. The results are shown in the **table below**.

Flavor of Crisp	Number of People	Percentage
Plain	1249	20%
Salt and Vinegar	1365	
Cheese and Onion	1197	
Smokey Bacon	1456	
Other	1101	

The **five percentages** below are the percentages of people who chose each flavor:

19% 23% 20% 17% 21%

Use these five percentages to **complete** the **table**. One percentage has been inserted for you.

9. People were asked to **choose** their favorite **flavor** of **crisp**. The results are shown in the **table below**.

Flavor of Crisp	Number of People	Percentage
Plain	962	17%
Salt and Vinegar	1435	
Cheese and Onion	897	
Smokey Bacon	1194	
Other	1004	

The **five percentages** below are the percentages of people who chose each flavor:

16% 26% 18% 22% 17%

Use these five percentages to **complete** the **table**. One percentage has been inserted for you.

10. People were asked to **choose** their favorite **flavor** of **crisp**. The results are shown in the **table below**.

Flavor of Crisp	Number of People	Percentage
Plain	2497	18%
Salt and Vinegar	3641	
Cheese and Onion	2341	
Smokey Bacon	1654	
Other	3424	

The **five percentages** below are the percentages of people who chose each flavor:

27% 17% 12% 25% 18%

Use these five percentages to **complete** the **table**. One percentage has been inserted for you.

11. People were asked to **choose** their favorite **flavor** of **crisp**. The results are shown in the **table below**.

Flavor of Crisp	Number of People	Percentage
Plain	6789	22%
Salt and Vinegar	5432	
Cheese and Onion	6124	
Smokey Bacon	5975	
Other	6321	

The **five percentages** below are the percentages of people who chose each flavor:

20% 19% 18% 22% 21%

Use these five percentages to **complete** the **table**. One percentage has been inserted for you.

12. People were asked to **choose** their favorite **flavor** of **crisp**. The results are shown in the **table below**.

Flavor of Crisp	Number of People	Percentage
Plain	1900	25%
Salt and Vinegar	1730	
Cheese and Onion	1010	
Smokey Bacon	1990	
Other	1064	

The **five percentages** below are the percentages of people who chose each flavor:

26% 13% 22% 25% 14%

Use these five percentages to **complete** the **table**. One percentage has been inserted for you.

Answers

- 1. 11, 26, 34, 9, 20**
- 2. 19, 10, 21, 13, 37**
- 3. 17, 9, 29, 21, 24**
- 4. 16, 18, 21, 12, 32**
- 5. 23, 17, 13, 19, 29**
- 6. 12, 36, 20, 11, 21**
- 7. 20, 17, 19, 16, 27**
- 8. 20, 21, 19, 23, 17**
- 9. 17, 26, 16, 22, 18**
- 10. 18, 27, 17, 12, 25**
- 11. 22, 18, 20, 19, 21**
- 12. 25, 22, 13, 26, 14**
