

**Q4 (Time Change) Day 95** Name: \_\_\_\_\_

---

**1. Each half** of a playground game lasts **5 minutes**, there is a **15-minute break at half-time**. In the playground game the break at **half-time started at 12:00pm**. **At what time** did the game **end**? Give your answer using the **24-hour clock**. Write your answer in the space below.

---

---

**2. Each half** of a playground game lasts **10 minutes**, there is an **8-minute break at half-time**. In the playground game the break at **half-time started at 15:00**. **At what time** did the game **end**? Give your answer using the **12-hour clock**. Write your answer in the space below.

---

---

**3. Each half** of a playground game lasts **12 minutes**, there is a **10-minute break at half-time**. In the playground game the break at **half-time started at 2:00pm**. **At what time** did the game **end**? Give your answer using the **24-hour clock**. Write your answer in the space below.

---

---

**4. Each half** of a playground game lasts **9 minutes**, there is a **6-minute break at half-time**. In the playground game the break at **half-time started at 11:07**. **At what time** did the game **end**? Give your answer using the **12-hour clock**. Write your answer in the space below.

---

5. Each half of a playground game lasts **15 minutes**, there is a **10-minute break at half-time**. In the playground game the break at **half-time started at 4:40pm**. **At what time** did the game **end**? Give your answer using the **24-hour clock**. Write your answer in the space below.

---

6. Each half of a playground game lasts **20 minutes**, there is a **20-minute break at half-time**. In the playground game the break at **half-time started at 09:30**. **At what time** did the game **end**? Give your answer using the **12-hour clock**. Write your answer in the space below.

---

7. Each half of a playground game lasts **19 minutes**, there is a **5-minute break at half-time**. The playground game **started at 1:45pm**. **At what time** did the game **end**? Give your answer using the **24-hour clock**. Write your answer in the space below.

---

8. Each half of a playground game lasts **23 minutes**, there is an **8-minute break at half-time**. In the playground game the break at **half-time ended at 10:43**. **At what time** did the game **end**? Give your answer using the **12-hour clock**. Write your answer in the space below.

---

**9. Each half** of a playground game lasts **33 minutes**, there is a **9-minute break at half-time**. In the playground game the break at **half-time started at 16:04**. **At what time** did the game **end**? Give your answer using the **12-hour clock**. Write your answer in the space below.

---

**10. Each half** of a playground game lasts **39 minutes**, there is a **17-minute break at half-time**. The playground game **started at 2:06pm**. **At what time** did the game **end**? Give your answer using the **24-hour clock**. Write your answer in the space below.

---

**11. Each half** of a playground game lasts **41 minutes**, there is a **10-minute break at half-time**. In the playground game the break at **half-time ended at 15:29**. **At what time** did the game **end**? Give your answer using the **24-hour clock**. Write your answer in the space below.

---

**12. Each half** of a playground game lasts **47 minutes**, there is a **12-minute break at half-time**. In the playground game the break at **half-time started at 09:42**. **At what time** did the game **end**? Give your answer using the **12-hour clock**. Write your answer in the space below.

---

**Answers**

- 1. 12:20**
- 2. 3:18pm**
- 3. 14:22**
- 4. 11:22am**
- 5. 17:05**
- 6. 10:10am**
- 7. 14:28**
- 8. 11:06am**
- 9. 4:46pm**
- 10.15:41**
- 11.16:10**
- 12.10:41am**
