

Q1 (Compass Angles) Day 111 **Name:** _____

1. You are facing West. You turn 90° anticlockwise and then 180° clockwise. In what direction are you now facing? Circle the correct answer below.

- North
- South
- East
- West

2. You are facing South. You turn 90° clockwise and then 270° anticlockwise. In what direction are you now facing? Circle the correct answer below.

- North
- South
- East
- West

3. You are facing East. You turn 180° clockwise and then 180° anticlockwise. In what direction are you now facing? Circle the correct answer below.

- North
 - South
 - East
 - West
-

4. You are facing North West. You turn 90° anticlockwise and then 135° clockwise. In what direction are you now facing? Circle the correct answer below.

- North
 - South
 - East
 - West
-

5. You are facing North East. You turn 225° clockwise and then 90° anticlockwise. In what direction are you now facing? Circle the correct answer below.

- North
 - South
 - East
 - West
-

6. You are facing South East. You turn 270° clockwise and then 135° anticlockwise. In what direction are you now facing? Circle the correct answer below.

- North
 - South
 - East
 - West
-

7. You are facing South. You turn 315° clockwise and then 135° anticlockwise. In what direction are you now facing? Circle the correct answer below.

- North
 - South
 - East
 - West
-

8. You are facing North West. You turn 405° clockwise and then 180° anticlockwise. In what direction are you now facing? Circle the correct answer below.

- North
 - South
 - East
 - West
-

9. You are facing West. You turn 450° anticlockwise and then 45° clockwise. In what direction are you now facing? Circle the correct answer below.

- North
 - North East
 - North West
 - South
 - South East
 - South West
 - East
 - West
-

10. You are facing North East. You turn 720° clockwise and then 225° anticlockwise. In what direction are you now facing? Circle the correct answer below.

- North
- North East
- North West
- South
- South East
- South West
- East
- West

11. You are facing East. You turn 540° clockwise and then 135° anticlockwise. In what direction are you now facing? Circle the correct answer below.

- North
 - North East
 - North West
 - South
 - South East
 - South West
 - East
 - West
-

12. You are facing North. You turn 495° anticlockwise and then 900° clockwise. In what direction are you now facing? Circle the correct answer below.

- North
 - North East
 - North West
 - South
 - South East
 - South West
 - East
 - West
-

Answers

- 1. North**
- 2. North**
- 3. East**
- 4. North**
- 5. South**
- 6. West**
- 7. North**
- 8. South**
- 9. South West**
- 10. South**
- 11. South East**
- 12. North East**
