- 8 Its paws were dusted with frost and one ear was torn at the tip.
- 9 Molly stood perfectly still, afraid the slightest sound would frighten it.
- 10 The fox tilted its head, studying her with sharp, curious amber eyes.
- 11 Slowly, she crouched and placed a piece of her sandwich on the snow.
- 12 For a long moment neither of them moved in the freezing morning air.
- 13 Then, with careful steps, the fox crept forward and took the food.
