Comprehension

The Winning Goal

- 1 The whistle for the final match blew, and Maya's stomach twisted with nerves.
2 She had been picked in goal for the very first time, and the whole school was watching.
3 Rain drummed steadily on the clubhouse roof and turned the pitch to slippery mud.
4 For most of the match, Maya barely touched the ball, hopping from foot to foot.
5 Then, ten minutes from the end, the other team broke free and raced towards her.
6 Their striker swung her boot and the ball flew like a rocket at the top corner.
7 Without thinking, Maya launched herself sideways, arms stretched as far as they would go.
8 Her gloved fingertips just brushed the ball, tipping it over the crossbar.
9 The crowd erupted, and even the referee gave an approving nod.
10 "Great save!" yelled her captain, hauling Maya back onto her feet.
11 With seconds left, a scramble broke out in front of Maya's goal once more.
12 She dived bravely at the striker's feet and smothered the ball against her chest.
13 The final whistle shrieked. Somehow, impossibly, they had held on to win.
14 Her teammates piled on top of her in a muddy, laughing heap.
15 Maya could hardly believe it. That morning she had almost stayed at home.
16 Her coach ruffled her damp hair and grinned. "Told you you would be brilliant."
17 On the walk home, Maya replayed the save over and over in her mind.
18 Sometimes, she thought, the scariest things turn out to be the very best.
