

Q2 (Problem Solving) Day 169**Name:** _____

1. The following table shows how many **pupils** are in **each class** in a school. There is the **same** number of pupils in **Year 2** as there is in **Year 3**. **Fill in** the **missing** numbers.

Classes	Number of pupils
Year 1	23
Year 2	
Year 3	
Year 4	25
Year 5	27
Year 6	30
Year 7	21
Total	174

2. The following table shows how many **pupils** are in **each class** in a school. There is the **same** number of pupils in **Year 4** as there is in **Year 5**. **Fill in** the **missing** numbers.

Classes	Number of pupils
Year 1	29
Year 2	17
Year 3	29
Year 4	
Year 5	
Year 6	31
Year 7	26
Total	182

3. The following table shows how many **pupils** are in **each class** in a school. There is the **same** number of pupils in **Year 1** as there is in **Year 2**. **Fill in** the **missing** numbers.

Classes	Number of pupils
Year 1	
Year 2	
Year 3	28
Year 4	32
Year 5	19
Year 6	21
Year 7	25
Total	171

4. The following table shows how many **pupils** are in **each class** in a school. There is the **same** number of pupils in **Year 3** as there is in **Year 4**. **Fill in** the **missing** numbers.

Classes	Number of pupils
Year 1	26
Year 2	30
Year 3	
Year 4	
Year 5	22
Year 6	31
Year 7	24
Total	191

5. The following table shows how many **pupils** are in **each class** in a school. There is the **same** number of pupils in **Year 2, Year 3** and **Year 4**. **Fill in** the **missing** numbers.

Classes	Number of pupils
Year 1	28
Year 2	
Year 3	
Year 4	
Year 5	29
Year 6	33
Year 7	27
Total	195

6. The following table shows how many **pupils** are in **each class** in a school. There is the **same** number of pupils in **Year 5, Year 6** and **Year 7**. **Fill in** the **missing** numbers.

Classes	Number of pupils
Year 1	27
Year 2	31
Year 3	29
Year 4	28
Year 5	
Year 6	
Year 7	
Total	187

7. The following table shows how many **pupils** are in **each class** in a school. There is the **same** number of pupils in **Year 4, Year 5** and **Year 6**. **Fill in** the **missing** numbers.

Classes	Number of pupils
Year 1	29
Year 2	26
Year 3	18
Year 4	
Year 5	
Year 6	
Year 7	29
Total	195

8. The following table shows how many **pupils** are in **each class** in a school. There is the **same** number of pupils in **Year 1, Year 3** and **Year 5**. **Fill in** the **missing** numbers.

Classes	Number of pupils
Year 1	
Year 2	36
Year 3	
Year 4	27
Year 5	
Year 6	28
Year 7	23
Total	201

9. The following table shows how many **pupils** are in **each class** in a school. There is the **same** number of pupils in **Year 4, Year 5, Year 6** and **Year 7**. Fill in the **missing** numbers.

Classes	Number of pupils
Year 1	32
Year 2	28
Year 3	24
Year 4	
Year 5	
Year 6	
Year 7	
Total	176

10. The following table shows how many **pupils** are in **each class** in a school. There is the **same** number of pupils in **Year 1, Year 3, Year 4** and **Year 7**. Fill in the **missing** numbers.

Classes	Number of pupils
Year 1	
Year 2	26
Year 3	
Year 4	
Year 5	39
Year 6	27
Year 7	
Total	228

11. The following table shows how many **pupils** are in **each class** in a school. There is the **same** number of pupils in **Year 2, Year 5, Year 6** and **Year 7**. Fill in the **missing** numbers.

Classes	Number of pupils
Year 1	31
Year 2	
Year 3	32
Year 4	35
Year 5	
Year 6	
Year 7	
Total	210

12. The following table shows how many **pupils** are in **each class** in a school. There is the **same** number of pupils in **Year 1, Year 3, Year 5** and **Year 7**. Fill in the **missing** numbers.

Classes	Number of pupils
Year 1	
Year 2	26
Year 3	
Year 4	41
Year 5	
Year 6	32
Year 7	
Total	243
