The **pupil** has **included themselves** in the Venn diagram in the **section indicated by the arrow**. Look at the statements below. Tick the box to show which one is **true**.

The pupil is a **girl with** black hair.

☐

The pupil is a **boy with** black hair.

☐

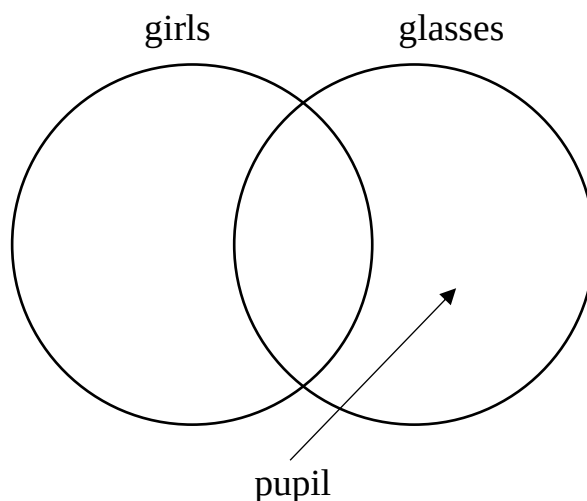

The pupil is a **girl without** black hair.

☐

The pupil is a **boy without** black hair.

☐

3. A pupil draws a Venn diagram. It shows **two sets**: the set of **girls** and the set of **children with glasses**.

The **pupil** has **included themselves** in the Venn diagram in the **section indicated by the arrow**. Look at the statements below. Tick the box to show which one is **true**.

The pupil is a **girl with** glasses.

☐

The pupil is a **boy with** glasses.

☐

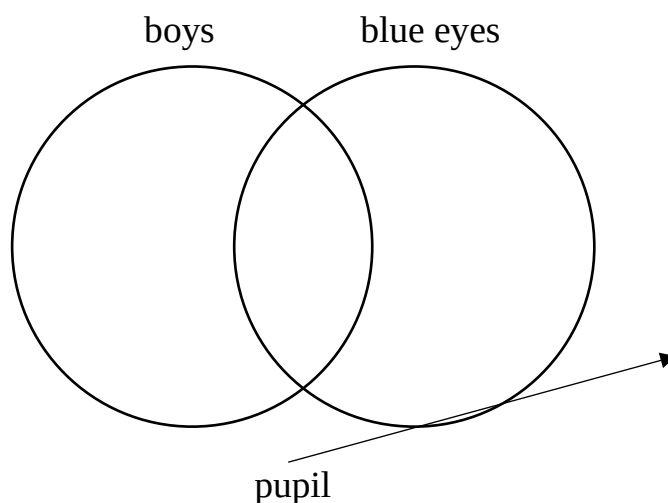

The pupil is a **girl without** glasses.

☐

The pupil is a **boy without** glasses.

☐

4. A pupil draws a Venn diagram. It shows **two sets**: the set of **boys** and the set of **children with blue eyes**.

The **pupil** has **included themselves** in the Venn diagram in the **section indicated by the arrow**. Look at the statements below. Tick the box to show which one is **true**.

The pupil is a **girl with** blue eyes.

☐

The pupil is a **boy with** blue eyes.

☐

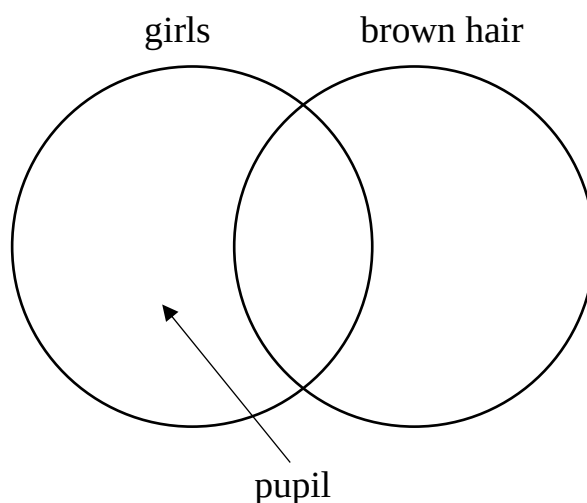

The pupil is a **girl without** blue eyes.

☐

The pupil is a **boy without** blue eyes.

☐

5. A pupil draws a Venn diagram. It shows **two sets**: the set of **girls** and the set of **children with brown hair**.

The **pupil** has **included themselves** in the Venn diagram in the **section indicated by the arrow**. Look at the statements below. Tick the box to show which one is **true**.

The pupil is a **girl with** brown hair.

☐

The pupil is a **boy with** brown hair.

☐

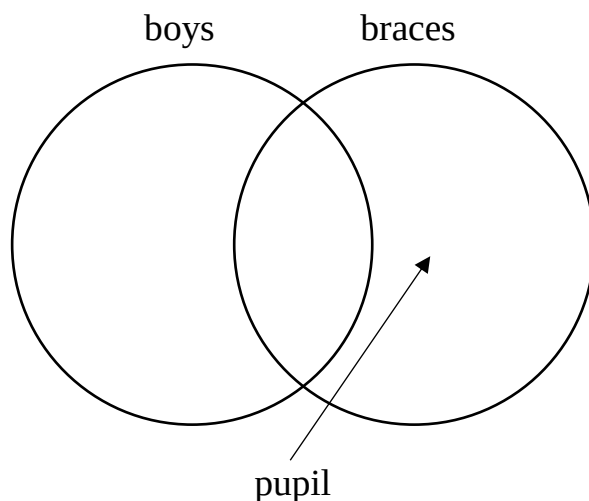

The pupil is a **girl without** brown hair.

☐

The pupil is a **boy without** brown hair.

☐

6. A pupil draws a Venn diagram. It shows **two sets**: the set of **boys** and the set of **children with braces**.

The **pupil** has **included themselves** in the Venn diagram in the **section indicated by the arrow**. Look at the statements below. Tick the box to show which one is **true**.

The pupil is a **girl with** braces.

☐

The pupil is a **boy with** braces.

☐

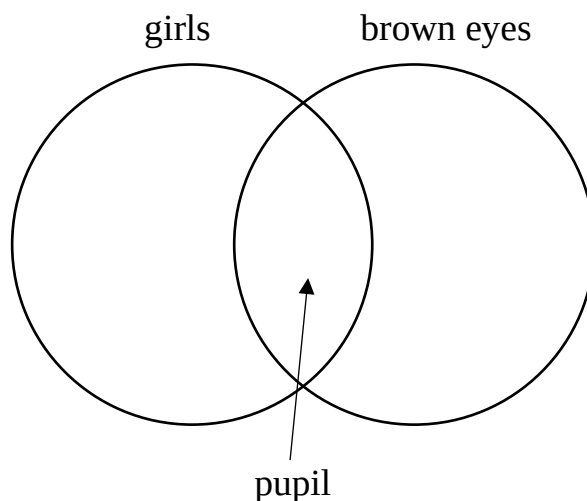

The pupil is a **girl without** braces.

☐

The pupil is a **boy without** braces.

☐

7. A pupil draws a Venn diagram. It shows **two sets**: the set of **girls** and the set of **children with brown eyes**.

The **pupil** has **included themselves** in the Venn diagram in the **section indicated by the arrow**. Look at the statements below. Tick the box to show which one is **true**.

The pupil is a **girl with** brown eyes.

☐

The pupil is a **boy with** brown eyes.

☐

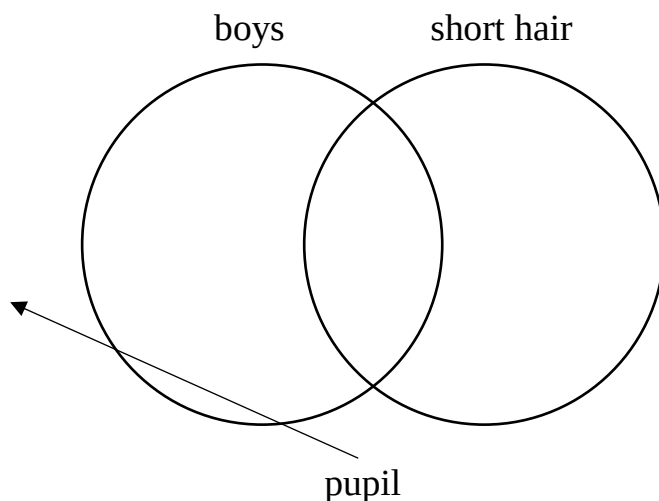

The pupil is a **girl without** brown eyes.

☐

The pupil is a **boy without** brown eyes.

☐

8. A pupil draws a Venn diagram. It shows **two sets**: the set of **boys** and the set of **children with short hair**.

The **pupil** has **included themselves** in the Venn diagram in the **section indicated by the arrow**. Look at the statements below. Tick the box to show which one is **true**.

The pupil is a **girl with** short hair.

☐

The pupil is a **boy with** short hair.

☐

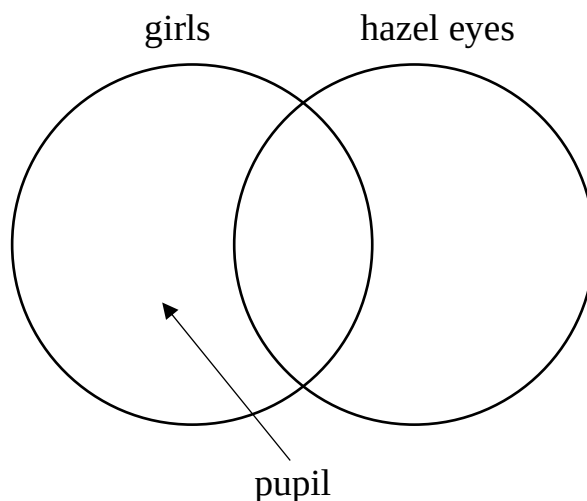

The pupil is a **girl without** short hair.

☐

The pupil is a **boy without** short hair.

☐

9. A pupil draws a Venn diagram. It shows **two sets**: the set of **girls** and the set of **children with hazel eyes**.

The **pupil** has **included themselves** in the Venn diagram in the **section indicated by the arrow**. Look at the statements below. Tick the box to show which one is **true**.

The pupil is a **girl with** hazel eyes.

☐

The pupil is a **boy with** hazel eyes.

☐

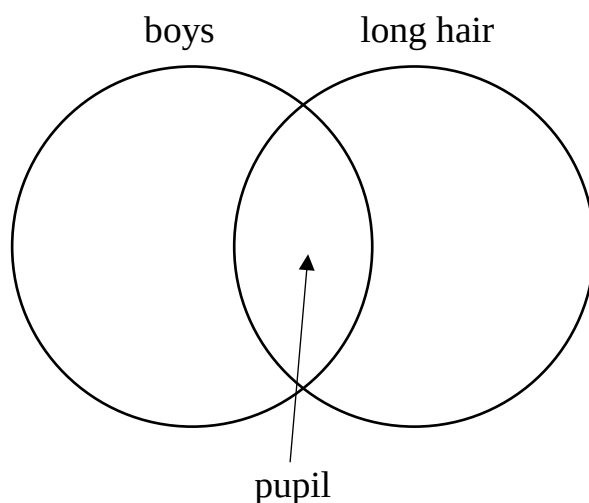

The pupil is a **girl without** hazel eyes.

☐

The pupil is a **boy without** hazel eyes.

☐

10. A pupil draws a Venn diagram. It shows **two sets**: the set of **boys** and the set of **children with long hair**.

The **pupil** has **included themselves** in the Venn diagram in the **section indicated by the arrow**. Look at the statements below. Tick the box to show which one is **true**.

The pupil is a **girl with** long hair.

☐

The pupil is a **boy with** long hair.

☐

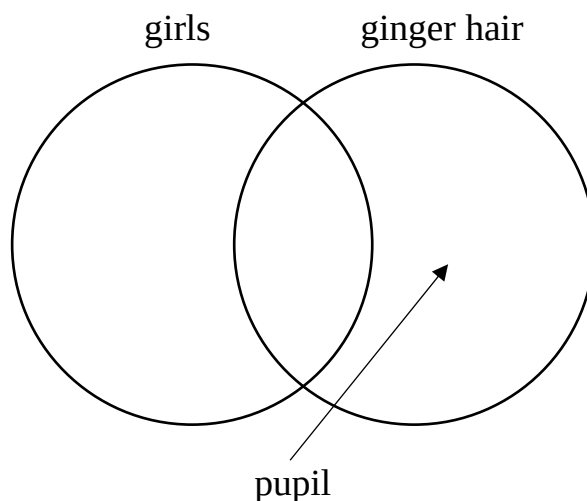

The pupil is a **girl without** long hair.

☐

The pupil is a **boy without** long hair.

☐

11. A pupil draws a Venn diagram. It shows **two sets**: the set of **girls** and the set of **children with ginger hair**.

The **pupil** has **included themselves** in the Venn diagram in the **section indicated by the arrow**. Look at the statements below. Tick the box to show which one is **true**.

The pupil is a **girl with** ginger hair.

☐

The pupil is a **boy with** ginger hair.

☐

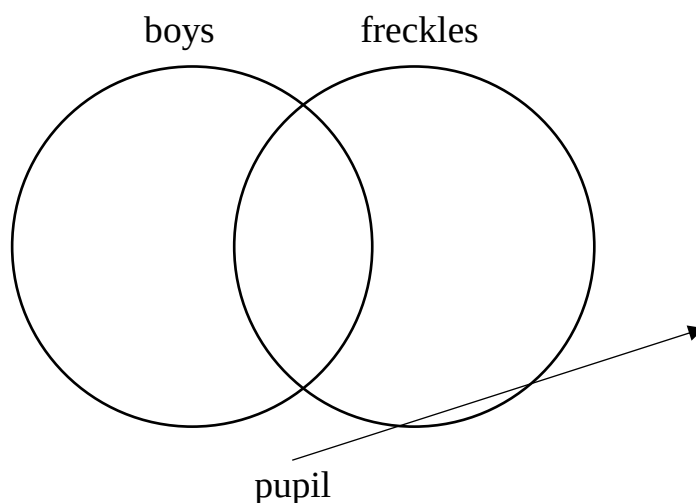

The pupil is a **girl without** ginger hair.

☐

The pupil is a **boy without** ginger hair.

☐

12. A pupil draws a Venn diagram. It shows **two sets**: the set of **boys** and the set of **children with freckles**.

The **pupil** has **included themselves** in the Venn diagram in the **section indicated by the arrow**. Look at the statements below. Tick the box to show which one is **true**.

The pupil is a **girl with** freckles.

☐

The pupil is a **boy with** freckles.

☐

The pupil is a **girl without** freckles.

☐

The pupil is a **boy without** freckles.

☐

Answers
