The pupil's **percentage** score in **English** was **higher**.

☐

The pupil's **percentage** score in **Maths** was **higher**.

☐

2. A pupil sits two tests in school for Maths and English. Their results are listed below:

- **Maths:** 6/10
- **English:** 3/5

Tick the **correct** statement below.

The pupil's **percentage** score was **the same** in both tests.

☐

The pupil's **percentage** score in **English** was **higher**.

☐

The pupil's **percentage** score in **Maths** was **higher**.

☐

3. A pupil sits two tests in school for Maths and English. Their results are listed below:

- **Maths:** 6/12
- **English:** 11/20

Tick the **correct** statement below.

The pupil's **percentage** score was **the same** in both tests.

☐

The pupil's **percentage** score in **English** was **higher**.

☐

The pupil's **percentage** score in **Maths** was **higher**.

☐

4. A pupil sits two tests in school for Maths and English. Their results are listed below:

- **Maths:** 20/25
- **English:** 15/20

Tick the **correct** statement below.

The pupil's **percentage** score was **the same** in both tests.

☐

The pupil's **percentage** score in **English** was **higher**.

☐

The pupil's **percentage** score in **Maths** was **higher**.

☐

5. A pupil sits two tests in school for Maths and English. Their results are listed below:

- **Maths:** 7/10
- **English:** 16/25

Tick the **correct** statement below.

The pupil's **percentage** score was **the same** in both tests.

☐

The pupil's **percentage** score in **English** was **higher**.

☐

The pupil's **percentage** score in **Maths** was **higher**.

☐

6. A pupil sits two tests in school for Maths and English. Their results are listed below:

- **Maths:** 35/50
- **English:** 14/20

Tick the **correct** statement below.

The pupil's **percentage** score was **the same** in both tests.

☐

The pupil's **percentage** score in **English** was **higher**.

☐

The pupil's **percentage** score in **Maths** was **higher**.

☐

7. A pupil sits two tests in school for Maths and English. Their results are listed below:

- **Maths:** 4/5
- **English:** 80/100

Tick the **correct** statement below.

The pupil's **percentage** score was **the same** in both tests.

☐

The pupil's **percentage** score in **English** was **higher**.

☐

The pupil's **percentage** score in **Maths** was **higher**.

☐

8. A pupil sits two tests in school for Maths and English. Their results are listed below:

- **Maths:** 18/30
- **English:** 18/36

Tick the **correct** statement below.

The pupil's **percentage** score was **the same** in both tests.

☐

The pupil's **percentage** score in **English** was **higher**.

☐

The pupil's **percentage** score in **Maths** was **higher**.

☐

9. A pupil sits two tests in school for Maths and English. Their results are listed below:

- **Maths:** 36/48
- **English:** 35/50

Tick the **correct** statement below.

The pupil's **percentage** score was **the same** in both tests.

☐

The pupil's **percentage** score in **English** was **higher**.

☐

The pupil's **percentage** score in **Maths** was **higher**.

☐

10. A pupil sits two tests in school for Maths and English. Their results are listed below:

- **Maths:** 64/80
- **English:** 48/60

Tick the **correct** statement below.

The pupil's **percentage** score was **the same** in both tests.

☐

The pupil's **percentage** score in **English** was **higher**.

☐

The pupil's **percentage** score in **Maths** was **higher**.

☐

11. A pupil sits two tests in school for Maths and English. Their results are listed below:

- **Maths:** 16/40
- **English:** 3/5

Tick the **correct** statement below.

The pupil's **percentage** score was **the same** in both tests.

☐

The pupil's **percentage** score in **English** was **higher**.

☐

The pupil's **percentage** score in **Maths** was **higher**.

☐

12. A pupil sits two tests in school for Maths and English. Their results are listed below:

- **Maths:** 63/90
- **English:** 152/200

Tick the **correct** statement below.

The pupil's **percentage** score was **the same** in both tests.

☐

The pupil's **percentage** score in **English** was **higher**.

☐

The pupil's **percentage** score in **Maths** was **higher**.

☐
